Alternate Visual Confirmation Form

In an effort to ensure the safety and wellbeing of the students in the Parkview School District, school bus drivers are required to wait for visual confirmation that there is an adult present at their drop off address before any student in grade 3 or under will be allowed off the bus. Students in grade 4 and up are dropped off at their designated address without this visual confirmation. Please complete this form and provide it to your child’s bus driver if you are unable to be physically present at your child’s drop-off location and would like to establish an alternative means of confirming that an adult is present.

If you have any questions, please call Anthony Klein, Parkview School District business manager at 879-2717 ext. 6114.
