

Responsible Decision Making Skills

- I can make constructive choices about personal behavior and social interaction to evaluate consequences.
- I can identify actions that will promote change in the classroom, school, and/or community.

A person who makes responsible decisions has the ability to make constructive and respectful choices about personal behavior and social interactions. This person considers ethical standards, safety concerns, and social norms before making decisions and is able to realistically evaluate consequences of various actions while considering his or her own well-being and the well-being of others.
