

Social Awareness

- I can recognize others feelings and respond with comfort and empathy.
 - I can show my family, culture, and community when playing and learning.
 - I notice that other children and families do things differently.*
 - I can follow simple group rules.
 - I can attempt a new skill when encouraged.
- *with adult guidance

The ability to adopt the perspective of other people and to empathize with other people from diverse backgrounds and cultures. A person who is socially aware understands social and ethical norms for behavior and recognizes family, school, and community resources and support.
