- 1.0 Meeting called to order by Bill Wingerson at 4:03 pm.
- 2.0 Led by Nancy Carlson, the committee went through the rough draft of the Wellness Policy for 2012-13. Nancy started by explaining the reasoning for the Wellness Policy and what we have had in the past. The committee reviewed the mission statement and the goals for the Wellness Policy. A discussion was had within the group on fundraisers and what type of oversight should be maintained for the type of foods served or sold. Next, Nancy went into the guidelines and standards for the meals served at lunch and expressed no concerns for compliance in this area. The committee also discussed the schedule of lunches in regards to time allotment and its positioning with recess. The committee was in agreement that more input from each building would be needed to review the policy properly. Members were added to the committee to fix this issue and help the committee have a better understanding for each location. The committee decided that they would meet again in February to review the policy again with the new members.
- 3.0 In order to increase participation at the next meeting, it was decided that three dates would be given in February for the meeting and the date that works best for everyone would be picked. The three dates were February 25, 26, and 28, 2013. The committee plans to meet at 4:30 pm on the day they pick. Ben Irwin will be contacting the committee members to determine the appropriate date.
- 4.0 The meeting was adjourned at 5:10 pm.
