

## CREATION OF INTERNET WEBPAGE

The purpose of the District’s website is to provide a valuable learning environment for students and staff, administration, parents and the community. The website shall promote the educational mission of the District and provide information about school curriculum, instruction, school-authorized activities and other general information of interest to the students, staff, parents and community.

All webpages published on the District’s website shall comply with District rules and regulations regarding content and technical specifications, and shall be the property of the District. Any additions or changes to the website shall be approved by the communications specialist.
