

STUDENT ORGANIZATIONS

Student organizations have an important place in the educational program of the District because when properly organized and operated, they:

- a. Extend and reinforce the instructional program;
- b. Give students practice in democratic self-government;
- c. Build student morale and spirit of positive support for the school;
- d. Honor outstanding student achievement; and
- e. Provide wholesome social and recreational activities.

School clubs and societies shall be recognized as school organizations if they are authorized by the administration, supervised by school personnel, composed completely of current student body members, hold the majority of meetings at school, and establish aims that are educational and of school or community interest.

The District shall not discriminate in admission to any program or activity, standards and rules of behavior, disciplinary actions or facilities usage on the basis of sex, race, religion, national origin, color, ancestry, creed, pregnancy, marital or parental status, sexual orientation, physical, mental, emotional or learning disability or handicap. This policy does not, however, prohibit the District from placing a student in a program or activity based on objective standards or individual performance. Discrimination complaints shall be processed in accordance with established procedures.
