

STUDENT GOVERNMENT

The Board sanctions and recommends the organization of a student council in the high school. The student council shall assist in improving the general welfare of all students and shall give students the opportunity to participate in the orderly workings of the democratic process.

The student council shall not have authority to make policies for the District or regulations for the school, nor shall it have disciplinary authority. However, the student council may make recommendations to the administration on any topic of student concern.

The administration and student council shall keep channels of communication open, not only between themselves, but between all students and the student council.

Members of the student council shall be elected democratically. The rights and responsibilities of the student council shall be clearly set forth in a constitution. An advisor for the student council shall be selected by the administration.
