

## SCHOOL-AGE PARENTS

### **PROCEDURES:**

1. Information in regard to a suspected or confirmed school-age parent should be conveyed to the nurse and to the student's counselor.
2. The nurse and the counselor will contact the student in order to offer services.
3. If possible, the parents will be informed of the situation.
4. A school-age parent will develop, with approval from the nurse, principal and the counselor, an appropriate high school program. If the student still lives with the parent/caregiver, final approval from the parent/caregiver will be requested.
5. The District supports and will comply with all aspects of section 118.13(1) of the WI statutes, especially those provisions which prohibit discrimination on the basis of pregnancy, marital or parental status.

### **STAFFING:**

District Core Group: nurse, principal, counselor, teacher(s) - if appropriate

### **EVALUATION:**

A student response form will be filed upon completion of a program for a school-age parent. The nurse will also complete an evaluation summary sheet describing the program offered and the services rendered.
