

STAFF INVOLVEMENT IN DECISION MAKING

It shall be the policy of the Board to encourage employee participation in decision making for the school district. The district administrator shall develop channels for the communication of staff ideas and feelings regarding the operation of the schools. He/she shall weigh with care the counsel given by employees, both professional and support staff, and shall inform the Board of such counsel in presenting reports of administrative action and in presenting recommendations for Board action.

When developing rules concerning the operation of the school system, the district administrator shall include in the planning stages, whenever feasible, those employees who will be affected by such provisions.
