

RELATIONS WITH EDUCATIONAL RESEARCHERS

The Board recognizes the importance of research in education, therefore, authorizes the district administrator to cooperate as far as possible with colleges, universities, and other recognized research agencies in promoting potentially useful research.

Specific guidelines regarding research activities in the schools shall be prepared by the district administrator, keeping in mind the following:

- a. objectives of the research;
- b. protection of student's privacy rights;
- c. degree of parent involvement;
- d. extent of class interruption; and,
- e. the proposed use of the results.
