National Honor Society Inducts New Members

The Parkview National Honor Society inducted fifteen new members on November 14. The new members are: Brooke Boyd, Abbigayle Butzler, Avery Crane, Rachel Hammes, Kiersten Faldet, Alexandra Lloyd, Ashlyn Mabie, Olivia Marcellus, Siddalee Meyers, Tyler Oswald, August Pautsch, Kylie Redman, Sarah Task, Korey Wettstein and Gabriella Zomok. They join current members Sarah Olin, Hallie Case, Nevin Crane, Caden Lawrence and Remington Stark. The induction was held in the JR/SR High Commons. Parkview teacher Joel Schullo was the guest speaker.

The NHS members are selected according to the four ideals of the NHS: Character, Service, Scholarship and Leadership. Prospective members who qualify scholastically are invited to apply and a panel reviews the applications to make sure they meet all four of the ideals.

Advisors for the NHS are Parkview teachers Suzy Breneman and Guy Stricker.

Weather Related Delay & Cancellation Procedures

By Steve Lutzke, District Administrator

Winter sure snuck up on us quickly so I felt this was a good time to communicate Parkview's weather-related delay and cancellation procedures.

For cold temperatures, the decision to delay or close school is based on the sustained wind chill forecast. A sustained wind-chill of -25 to -34 is when we begin to consider delaying or calling off school. This range falls within a Windchill Advisory and will be weighed with other factors to determine whether school will be delayed or cancelled. When a Windchill Warning goes into effect at -35, school will be cancelled. In some cases, we may do a 2-hour delay as the wind-chill temperature may increase as the sun comes up.

In preparation for these cold temperatures, please make sure your children are properly clothed. Even the buses may feel a little colder than normal in these types of temperatures. For those resident students that may walk to school throughout the year, it is especially important that they bundle up. Give yourself extra time to prepare for this decision.

As with all decisions, parents have the final decision of determining whether it is safe for their students to travel to school.

Closing or delaying school based on snow can be a bit more difficult to predict. Roads will be driven by school personnel on the morning in question to determine safety conditions. If winter weather conditions change during the day, an early release is possible and will be communicated via School Messenger, Facebook, Dojo and all of the local media outlets. Please note it is usually not practical to call off school the day

Information for Parents

If Your Family Lives In Any Of The Following Situations:

- In a shelter
- In a motel or campground due to the lack of an alternative adequate accommodation
- In a car, park, abandoned building, or bus or train station
- Doubled up with other people due to loss of housing or economic hardship

Your school-age children may qualify for certain rights and protections under the federal McKinney-Vento Act.

Your eligible children have the right to:

- Receive a free, appropriate public education.
- Enroll in school immediately, even if lacking documents normally required for enrollment.
- Enroll in school and attend classes while the school gathers needed documents.
- Enroll in the local school; or continue attending their school of origin (the school they attended when permanently housed or the school in which they were last enrolled), if that is your preference.

* If the school district believes that the school you select is not in the best interest of your children, then the district must provide you with a written explanation of its position and inform you of your right to appeal its decision.

Receive transportation to and from the school of origin, if you request this.

Receive educational services comparable to those provided to other students, according to your children's needs.

If you believe your children may be eligible, contact the local liaison to find out what services and supports may be available. There also may be supports available for your preschool-age children.

Local Liaison: Hayley Wilson, Parkview School Social Worker - 608-879-2994 ext. 5107

Weather Related Delay & Cancellation Procedure (Continued from page 1)

before, given how unpredictable storms can be. In cases where school is delayed or canceled the goal is to communicate the decision by 6:00 a.m.

On days when school is cancelled, all activities on our campuses will be cancelled unless conditions drastically improve throughout the day allowing for safe travel. In these situations practice and/or games may be held with administrative approval.

Going out for recess is based on a sustained wind-chill of zero degrees. If it is zero or lower, students will not go out. If it is above zero students will typically go out for recess.

I hope this explanation helps in understanding the process used to make school closing decisions. If you have further questions, please contact District Administrator Steve Lutzke (879-2717 Ext. 1), PES Principal Karen Strandt-Conroy (879-2956 Ext. 2120), JR/SR High Principal Mary Stelter (879-2994 Ext. 5116) or Assistant JR/SR High Principal Todd Greco (879-2994 Ext. 5114).

Therapy Dog at the Library

I want to introduce you to Joe the Therapy Dog and his owner, Nancy, as part of a reading program at the Orfordville Public Library.

Joe will be visiting the Orfordville Public Library on the early release Fridays. Children will have an opportunity to read to Joe for 10 – 15 minutes on these afternoons.

Joe will be in his doggy stroller and will be leashed the entire time. Adults and children can smile and wave if they see him in the library.

Joe is an American Kennel Club (AKC) Certified Therapy Dog. Joe currently has received all his necessary vaccinations and is in good medical condition.

Therapy dogs provide many benefits. They help children learn compassion, empathy, responsibility, respect and self-discipline. Trained therapy dogs offer comfort and non-judgmental love. Studies have proven that even a short amount of time with a dog can decrease levels of anxiety and increase emotional security.

If you are interested in having your child read to Joe, please fill out this form and give it to the librarian at Orfordville Public Library.

Student of the Month

November

7th Grade: *Abigail Anderson*

Mrs. Achterberg and Mrs. Graham have selected Abigail as student of the month for November. Abigail was always a bright spot in Keyboarding class. She was always smiling and positive. Abigail helped other students when they needed it and served as a great class role model throughout the quarter.

8th Grade: *Cole McMahon*

Mrs. Achterberg has selected Cole McMahon as student of the month for November. Cole is always positive and a great role model to others. Cole is not afraid of a challenge and he always asks questions when he needs clarification to ensure that his assignments are completed correctly. When Cole has extra time in class he uses it wisely and he does not distract others. It is a joy having him in class and I look forward to teaching him and watching him grow through the upcoming years.

9th Grade: *Will Toberman*

Mr. Sattler has selected Will Toberman as a student of the month. Will is a member of the Parkview FFA Chapter. Will attends all the meetings and is an active participant in many of the chapter activities. I also enjoy Will showing me his welding skills. I have had the opportunity to see some of the projects that he has welded with his dad. As Will continues his high school career, I am excited to see him grow as a student and a leader. Great job Will.

10th Grade: *Hunter Veneman*

Mr. Luetz has selected Hunter Veneman as a student of the month. Hunter is in my Mechanical Drawing class and my Principles of Engineering class this semester. He has shown tremendous growth in these classes. He has attended the JP Cullen Career fair, and has shown interest in a career in the trades. He has grasped the concepts that are being taught in my classes, and has been helping other students in the class that are struggling. He is also planning to play baseball in the spring. I am excited to see Hunter continue to grow as he strives to achieve his goals of a career in the trades.

11th grade: *Jenny Ballmer*

Mr. Sattler has selected Jenny Ballmer as a student of the month. Jenny is a member of the Parkview FFA Chapter and is enrolled in the welding class. In welding, Jenny has become efficient in ARC welding, operating the chop saw and grinder, and completes everything that is asked. Jenny is a hard working student. She is in the shop from the time the first bell rings until the end of class. I am excited to see how her skills continue to evolve over the second semester.

12th Grade: *Calvin Barlass*

Mrs. Achterberg has selected Calvin Barlass as student of the month for November. Calvin cares deeply about his grades and his comprehension of materials in class. Calvin works hard at the tasks assigned and has a great work ethic. He asks questions and often helps others with their questions as well. It is a joy to see his maturity and sense of responsibility.

Parkview Winter Music Concerts

The Parkview music department has two winter music concerts scheduled. The public is invited to come and enjoy the music performed by the Parkview students.

Band Concert

The band concert will be held Thursday, December 12 at 7:00 p.m. at the Parkview Elementary School. The concert will include students in grades 5 -12.

Choir Concert

The Choir Concert will be held on Tuesday, December 17 at 7:00 p.m. in the JR/SR High Commons. The concert will include students in grades 7 – 12.

The Parkview Music boosters will be holding bake sales at both events to fundraise for the music students.

Tis the Season...

Ms. Kempthorne asked Parkview staff & students to share their heartfelt messages of joy, hope & love.

IN THE SPIRIT OF CHRISTMAS...

I wish for quality family time for making memories. Health and happiness but most of all, peace on earth.

When things go wrong, don't go with them. Merry Christmas!

I enjoy the bright shining snow and I like to come to school with a pretty white smile!

I enjoy riding my horse in the snow. He looks really pretty in the snow.

I enjoy saying hi to people.

Self-care is important.

I will try to do small acts of kindness for people and smile at those I see in order to spread joy.

Enjoy the time spent with loved ones.

I will give back to my community by volunteering at the animal shelter.

Do something good out of the kindness of your heart.

Everyone should be happy and grateful for everything. No one should be sad on Christmas. Smile more. J

People should think more about going together and loving each other.

You should remind those around you how much you love and appreciate them.

You should think more about giving than receiving.

You should spend quality time with your loved ones and you should give thanks to people around you.

Spending time with the people you care about and making memories.

Be filled with wonder and be touched by peace.

Let the magic of Christmas bring love and peace to the world.

I hope everyone is going to be fine and healthy.

The greatest gift is love.

God loves you and you are a blessing.

When you think of Christmas, many will think of what gifts they will get and how many. That isn't what Christmas is about. It's about spending time with friends and family and making everlasting memories.

Christmas is supposed to be about celebrating with family; because we don't know how much time we have with them.

May this Christmas be filled with happiness in all that you do may this joy continue the whole year through.

Wishing you a season of gladness, a season of cheer, and to top it all off, a wonderful year.

(Continued in next column)

Counselor Corner *(Continued)*

Spending time with the people you love.

Spending time with family and friends.

I believe it is putting others first and spreading joy and love.

Be nice to others and show care.

No matter how hard things get, keep on going, I will be behind you.

Celebrating and having a good time with your family.

Give compliments. Everyone loves a compliment.

I hope there will be enough presents and happiness to fulfill every child's holiday wishes.

Share your joy and generosity... Believe!

Wishing you and yours a blessed Holiday Season and a prosperous New Year!

With Winter Break approaching quickly, we wanted to share with you the Parent's (survival) Guide for Winter Break from Youthland Academy.

Hooray! It's finally winter break! Time to take a breath from the daily schedule and enjoy the down time. But, all that fun and lack of routine can quickly turn into chaos. So how do you manage the fun so it stays fun? Here are our tips to make this winter break one to remember:

Get Outdoors

It can be easy to decide that venturing outside is just too much of a hassle. And let's be honest, it is a hassle. So take the expectations down a bit. You don't have to venture far or have a grand adventure planned, just take a walk. You can walk right out the door and do something simple like blow bubbles (they freeze!) or snow paint with spray bottles full of Kool Aid. If a snow man is out of reach, then how about a mini snow city that your kids can drive their trucks through, around and over? Or take some bowls and spoons outdoors for play cooking!

Plan a Trip

A trip doesn't have to be a long stay, day trips are often just as fun with less work! Research a destination within a few hours of your home. Pack a picnic lunch and head out the door. Get your kids excited about your adventure by studying about the place you're headed. When you get home, have them draw pictures about their favorite part of the day.

Don't Forget to Learn!

Head to a local museum, the library or even a theatrical performance with your kids. There are many theater companies that do special performances for children making it a fun experience for them rather than a long boring one!

(Continued in next column)

Counselor Corner *(Continued)*

You can also keep it simple at home! Read a book, or have your children write and illustrate their own books. Practice handwriting and typing skills by reaching out to friends and family with letters and emails. Play games such as going through the alphabet and finding items around the house that start with each letter.

Keep (mostly) to the Routine

One of the best parts of winter break is a break from the routine! But that break can make it oh so hard to get back to it. So while small deviations are ok, keep bedtime around the same time as usual. It may seem a little tough now, but it will make for happier kiddos throughout the break and an easier transition back to reality.

Parkview Youth Center Update

By Tina Gerber

Greetings from the Parkview Youth Center. We love our Parkview kids and are so very appreciative of our adult volunteers! Together, we have fun and learn a lot from each other.

In October, we made a wreath out of leaves made from book pages (check it out at the library!), painted picture frames, played games (Apples to Apples is a favorite), made our own necklaces with Ms. Sarah from the library, and had a Halloween party. Thank you to all who came out to support our Halloween Hot Dog Stand!

In November, we made bookmarks, had a wonderful visit from Mr. Science as he presented "The Magic of Science," and made fall crafts. Thank you to everyone who came to our Scoopie Lunch at Culver's!

We're having a Holiday Bake Sale on Saturday, December 21st at Farmers and Merchants Bank from 8 a.m.-Noon. We're in need of donations of baked goods and shoppers. If you can donate, please drop them off at the bank the morning of the sale. Thanks so much!!

Excellence in Education Grants

Carol Aulabaugh presented a total of \$10,294 in grants to Parkview teachers and staff on November 11. She provides the funding for the Excellence in Education grants that Parkview staff may apply for each fall. A committee reads the grants and chooses the winning grants.

Those receiving grants at PES were Ann Buehl (who is the LMC Media Coordinator - she wrote the grant for more student-friendly furniture at the PES LMC), Meghan Lehl, Nikki Lutzke, Rachel Miller and Laura Schuler. Those receiving grants at the JR/SR High were: Amber Achterberg & Sommer McMahan, David Luety, and Sarah Moran.

The Parkview District is very grateful for Carol Aulabaugh's generosity.

Thank you to all of the generous persons and businesses who do so much for the Parkview School District!

Coach Bunts during one of this season's home games

Parkview Volleyball Coach Receives "Thirty Under 30" Award

Parkview's volleyball coach Lindsey Bunts was chosen as one of the winners of the America Volleyball Coaching Association (AVCA) Thirty Under 30 Award for the 2019 season.

"The AVCA presented the inaugural Thirty Under 30 Awards in 2009. This award was created to honor thirty of the up-and-coming volleyball coaches under 30 years old in the sport at all levels of the game. Although anyone can make a nomination, the nominee has to be an AVCA member. Rising active high school head coaches, high school assistant coaches, and high school junior varsity head coaches that are actively coaching for the 2019 high school season are eligible for nomination."

This is what was said about Coach Bunts in the press release from the AVCA: "Lindsey Bunts, Parkview High School (Orfordville, WI), Wisconsin Volleyball Coaches Association," "She worked on the basics until all it took was a clean pass, a quick set, and a fast, aggressive kill onto their opponent's side of the net. They placed third in our conference. That may not sound extreme, but to her girls it meant everything."

Coach Bunts coached the Lady Vikings to a 4 & 2 record in conference in her first year as coach this year.

Morris Receives Hometown Hero Award

In October the Orfordville Modern Woodman Youth Group presented the Hometown Hero award to Orfordville resident Alan Morris. Morris received a \$50 gift certificate to a local business and was asked to choose a local organization that would receive a \$50 donation in his name. Morris chose the

Hometown Hero Award *(Continued)*

Parkview Athletic Department to receive the donation and also contributed \$200 more to the department to be used to help pay athletic fees for students who may not have the means to pay to participate in athletics.

The Award was presented by Amber & CJ Bennet, advisors for the local chapter of the Modern Woodman Youth Group.

Welcome PES Reading Specialist

Welcome to Parkview Elementary School's new reading specialist Jodell Sadler. Her education includes: BA in Philosophy, Minors in Art, Bio-Chem, and Communication, MFA in Writing for Children & Young Adults, EdD Curriculum & Instruction Coursework. She also has certifications in K-12 Reading Specialist, Currently completing in WI, IL, K-9, all subjects, and 4-12 ELA in IL, 1-8 and 4-12 ELA in WI, Technology: Webpage, Digital/Multimedia and Information Resources Design 7-12, Entrepreneurship/Entrepreneurial Studies 7-12, and Commercial Art and Advertising 7-12 in IL, Art and Science, K-12 in IL, Forthcoming.

Sadler shared this information on her teaching experience prior to coming to PES. My teaching experience began long ago and I fell in love with teaching when I had my own children and ran a Pre-K Day Care. I hosted art (like spaghetti creations), computer fun (Math Mountain was a huge hit), science alive events (we studied Praying Mantis for 4 years among other experiments), and boosted math skills though gamifying learning, something I still to this day believe in. I strongly believe that passion and inspiring experiences leads to great learning in the classroom.

My more "official" teaching includes working as a One-on-One ELA and Reading Recovery, and Marketing/Business Teacher. I worked as an AP/Dual Credit AP Senior and Freshman English (Brit Lit and Writing and Rhetoric focus) Teacher while I traveled the US sharing my MFA (Master of Fine Arts) study on how pacing improves writing and reading in a snap. I've also worked as a 5th Grade ELA and Technology Teacher, and 8th Grade Entrepreneurship Teacher.

On a Collegiate level, I've worked with students in Foundational ELA courses as well as Creative Writing, American Lit, College Comp, Advanced Composition, Lit of the American Minorities, Contemporary World Lit, American Lit and more. On a Grad Level, I've taught Writing Picture Books Course, Publishing, and Novel Writing, to name a few. I've also taught professional authors and illustrators, which helped them shorten their journey to the bookshelf.

During this time, I've furthered my research on my MFA critical thesis on Pacing to include all grade levels and KidLit Writing genres: Board Books, Picture Books, Chapter Books, Middle Grades and Young Adults as well as poetry and writing texts.

Rockton, IL is Sadler's hometown. She said, "My family-time includes enjoying game nights, pizza gatherings and movie nights as well as swimming with husband, Steve; three sons, Ryne, Sever, and Brett; two daughters, Jenna and Paige, and granddaughter, Everly."

The family also includes several pets. "We enjoy our furry-dog clan: Rosie (Yorkshi) and Bella (Golden); our two furry grand-pups: Addison (Aussie) and Pepper (Husky), as well as our pet snake, Mocha (Ball Python)." Sadler added.

When asked about hobbies and interest she'd like to share with District residents Sadler responded, "I love reading, writing and literature as well as art, technology, and all things creative. I've spent my life, in and out of teaching, working as a literary agent and president of the online course platform, KidLit College, which was dedicated to helping authors and illustrators publish. In my role as founder, I set up courses, webinars, and crit-n-chats where authors could hear first-hand from NY editors and agents in the children's literature publishing industry to further my mission and commitment to shortening an author's and/or illustrator's paths to publishing through innovative programming."

In response to the question is there anything else you would like to share, Sadler responded, "It was fun to see my book with Scholastic, DINOSHARKS! in Parkview's Scholastic Book Fair this past week, and I'm super excited to work with teachers and librarians on reading, writing, and all things books and literature, as we continue to inspire the next generation of masterminds and creative geniuses to believe in their abilities and achieve their dreams."

Thank you

Thank you to the Parkview School District Community for supporting the Book Fairs at the Parkview Elementary School and the Parkview JR/SR High School.

Your support is greatly appreciated.

Yearbook Donation

By Ann Buehl, District Library Media Director

Thank you to the family of Merlin and Dorothy Hegge for their donation of yearbooks to the Parkview JR/SR High School. We were able to add eight of them to the LMC's collection.

We are still missing yearbooks for these years: 1960, 1991 and 2001. If anyone would like to donate a yearbook from those years, we would be most appreciative.

Thanks again to the Hegge family for their generous donation.

Alumni and Staff Pep Band Game

Are you an alumnus from Parkview that was involved in the band program? Or are you a teacher who played an instrument when you were younger or maybe still do? We would love to have you come join us for a pep band game on Monday, December 9.

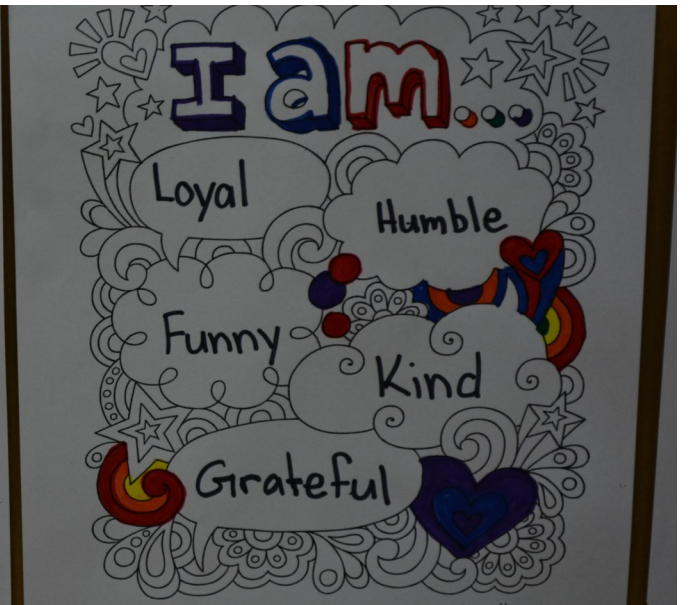

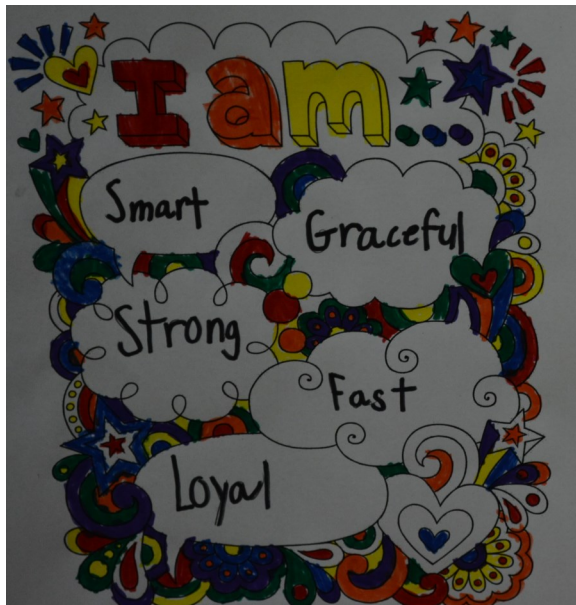

We will meet in the band room and go through a few tunes then play for the basketball pregame! If you have any questions, contact the band director: ahawbaker@email.parkview.k12.wi.us

Scenes from My Fair Lady

The first and second grade music program and art show took place on Thursday, November 21. The music program entitled Best Self, Best Work, Best World included the songs Best Self, Best Work, Best World; Bein' Me; We Are A Family; Friends Forever, and Reach For The Rainbow. Some of the artwork is pictured below.

The kindergarten classes held their annual Thanksgiving feast on Thursday, November 21. During their regular snack time the students went to the cafeteria and had some cornbread with butter, jam or honey. "Mr. D" (kindergarten teacher Jeanette Danielson's husband) brought his guitar and had a sing-a-long with the kids while they had having their snack. The students all made either pilgrim hats or Indian headbands in class prior to the feast to dress for the festivities.

Veterans Day

Sean Donagan, a sixth grade teacher at PES came up with the idea to make a wall to honor all Veterans who are family members or friends of PES students and staff several years ago. Each year the wall grows larger as more Veterans names are given to him. Donagan color codes the stars with the veterans' names on them by branch of the service. He also helps organize a Veterans Day program for the students at PES.

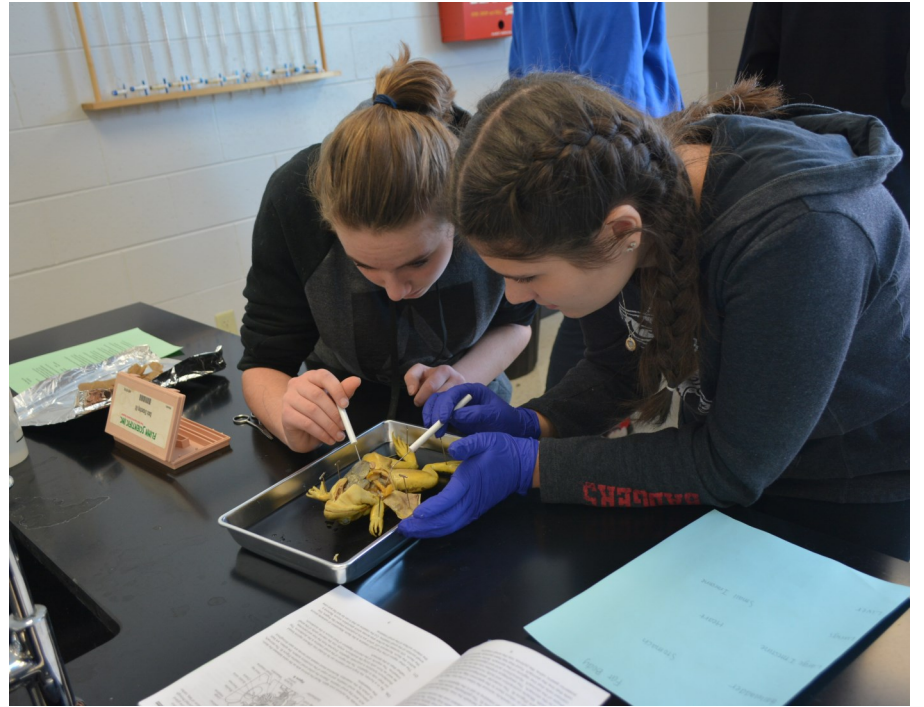

The Orfordville American Legion holds a Veterans Day program each year at the JR/SR high. The band and choir take part in the program. This year the speaker was Parkview High School teacher Guy Stricker.

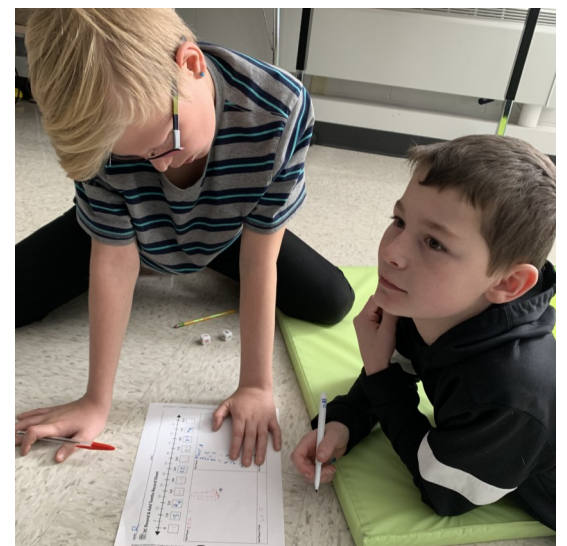

Annual Basketball Alumni Night

Parkview's Annual Basketball Alumni Night is Friday, December 27. All Parkview alumni basketball players and former coaches are invited to attend this event. Alumni and former coaches will be admitted free of charge; they are asked to sign in at the ticket table so that they may be announced at half time of the boys' varsity basketball game (approximately 8:00 p.m.) There will be boys and girls JV1, JV2 and Varsity Basketball games taking place on both courts, starting with a JV2 Boys game at 4:00 p.m. vs. Brodhead on court 3. The JV and Varsity girls and JV and Varsity boys teams will also be playing Brodhead, with the Varsity girls playing at 5:30 on the main court and the JV boys playing on court 3 at 5:30. The Varsity boys take the main court at 7:00 p.m. with JV girls on court 3 at 7:00 p.m.

Mrs. Breneman's Freshmen Biology classes wind up their Anatomy unit with the greatly anticipated frog dissection. It is typically one of the highlights of the course. The vast majority of the students really enjoy this and do a great job.

PES Food Drive Results

The PES student council held their annual food drive last month. This year there were incentives to reach for rewards such as duct tape a teacher to the gym wall, have a teacher kiss a goat and pie a teacher in the face. The students reached their goals and Mr. Donagan got the opportunity to kiss a goat. Mrs. Restivo was the lucky teacher who got to be pied!

4K- 2; K – 100; 1 – 190, 2 – 99, 3 -78, 4- 160, 5 – 81 and 6 – 135 for a grand total of 895 items collected.

All in favor voted “Aye”, none opposed, **Motion Carried 7-0.**

12.2 Discuss/Action on Request for Jr./Sr. High Band & Choir Trip to Disney World – Spring 2021.

Band Director Angela Hawbaker presented a proposal for an educational field trip for band and choir members in grades 7-12 to go to Disney World in Florida in the Spring of 2021. Transportation would be by motor coach for the first 46 students, and 6 adult chaperones. Students would attend clinics and non-graded performances as a learning experience for various levels of musicians and singers. Students will be segregated by grade level while at the clinics. Various fund raising events are planned to meet the costs of the program, lodging, security, meals, and transportation. Cost per student is expected to be \$1,339.00. Cost per chaperone is expected to be \$1,465.00. Discussion followed over various details of the program, lodging arrangements, meal plans, and payment schedules. **Motion** by Dianne Myhre, 2nd Zach Knudson to: Approve the Request for a Jr./Sr. High Band & Choir Trip to Disney World in Spring of 2021 for grades 7-12. All in favor voted “Aye”, none opposed, **Motion Carried 7-0.**

13. **DIRECTOR OF BUILDINGS & GROUNDS REPORT:** Jeff Lund provided a written report and highlighted that the water retention project behind PES is in the ground and operational. Recent rain-falls have not been an issue behind the building. See his report.

14 **BUSINESS MANAGER'S REPORT:** Tracy Case provided a written report, and with no related questions, deferred to the Action Items below. See her report.

14.1 Discuss 2019-2020 Membership Update: Tracy provided an update for the 9/20/2019 student count as submitted to the DPI for State Membership funding. Parkview has 34 less students than last year at this time. The loss is from the Jr./Sr. High student count.

14.2 Discuss/Action Regarding the 2019-2020 Property Tax Levy: Tracy reviewed the proposed 2019-2020 Property Tax Levy amount as covered and authorized at the Annual Budget meeting held on 10/21/2019 (prior to this meeting). **Motion** by Don Bomkamp, 2nd by Zach Knudson to: Approve the 2019-2020 Property Tax Levy at a total of \$5,149,741.00. 15.1 Discuss/Action Regarding Adjustment to the Stipends for Four Coaches whose Compensation is inconsistent with their Experience: Dr. Lutzke presented a recommendation from Athletic Director Shane Suehring, which was recommended by the Finance Committee, for increases in stipends for four Parkview Coaches. Discussion followed over expectations to compensate and retain these coaches.

Motion by Don Bomkamp, 2nd by Zach Knudson to: Approve the Recommendation for Adjustment to the Stipends for Four Coaches. All in favor voted “Aye”, none opposed, **Motion Carried 7-0.**

15.2 Discuss/Action Regarding StayMobile Chromebook Insurance: Dr. Lutzke provided a proposal to switch to the StayMobile Chromebook insurance company noting:

1). An upfront cost savings for comparable coverage using a 3 or 4 year plan offered by StayMobile;

2). Income would be generated for retaining our current rate (with no increase to parents) that could help offset the repair costs for any damaged Chromebook;

3). StayMobile provides a case with every Chromebook insured. At PJH/HS 221 Chromebook units are currently insured, 95 units are not. Discussion followed. **Motion** by Zach Knudson, 2nd by Tina Suiter-Meyers to: Approve StayMobile Chromebook Insurance proposal as presented for our 7th-12th grade Chromebooks. All in favor voted “Aye”, none opposed, **Motion Carried 7-0.**

15.3 Discuss/Action Regarding Administration National Conference Proposal: Dr. Lutzke presented a recommendation to annually fund three administrative members to attend a National Conference. He noted several positive aspects to having members attend these higher level of education related venues, and stated that it would be on a rotational opportunity to allow different people to attend different conferences on different years. \$6,000.00 per year would be allocated to cover three persons attending conferences (registration, transportation fees, lodging and meals). Discussion followed over the benefits, and potential disadvantages of having three administrators gone at one time. **Motion** by Don Bomkamp, 2nd by Jennie Krajeck to: Approve Recommendation to Budget for three Administrators to attend National Conferences as proposed. All in favor voted “Aye”, none opposed, **Motion Carried 7-0.**

16. CLOSED SESSION:

The Board will convene into closed session under Wisconsin State Statute 19.85(1)(c) for the purpose of considering employment, promotion, compensation or performance evaluation data of any public employee over which the governmental body has jurisdiction (administrator, classified or certified employee), 19.85(1)(f) for the purpose of approving previous closed session minutes and 19.85(1)(e) for deliberation and discussion regarding 2019-20 snow plow bids. **Motion** by Chuck Hagmann, 2nd by Dianne Myhre to: Move into Closed Session. A Roll Call Vote was called by the Clerk. Did you Know...? Pomegranate

The pomegranate is a fruit that contains hundreds of edible seeds called arils. They are rich in fiber, vitamins, minerals and bioactive plant compounds, but they also contain some sugar.

The punicalagins in pomegranate juice have been shown to reduce inflammation, one of the leading drivers of many serious diseases, including cancer and diabetes.

Regular intake of pomegranate juice has been shown to lower blood pressure levels in as little as two weeks.

As a rich source of nitrates, pomegranate may improve exercise performance by increasing blood flow.

Some evidence shows that pomegranate may improve memory in older adults and post-surgery. In addition, studies in mice suggest that it may protect against Alzheimer's disease.
