Second Choice Option at PES for the Month of February

The second choice lunch entrée will now be offered at both the High School/Jr. High and Elementary schools. The second choice can be used in combination with the entire meal instead of the 1st choice entrée. This is on a trial basis for the month of February and it will not affect the regular, free or reduced prices. I would like to hear back any comments you have in regards to this change, Thanks you in advance for your cooperation.
