Sync: Free Audiobooks for Teens Encourages Listening

Rock County, Wisconsin – March 6, 2018– With audiobook availability and listening on the rise, the SYNC Audiobooks for Teens program, sponsored by AudioFile Magazine and powered by OverDrive, kicks off its ninth year on April 26th. This summer's list will entice teens of many different tastes to experiment with new titles in this growing format. We are pleased to have such a quality list to share!" says AudioFile Magazine Founder Robin Whitten.

Arrowhead Library System is proud to promote this valuable summer-long eAudiobook giveaway program. ALS Director Steve Platteter explains, "This is such a great way to begin building a personal library—you can't beat free. Plus, this is a fantastic opportunity to promote awareness of OverDrive, the service that powers Wisconsin's Digital Library—a free way to stream or temporarily download eAudiobooks, eBooks, and movies using your library card and the OverDrive or Libby apps."

Teens, librarians, club leaders, and educators may sign up for email or text alerts about these FREE offerings and can learn more at www.audiobooksync.com. Any

individual may participate by downloading the OverDrive App to their device of choice and returning to the SYNC website each Thursday after 7am Eastern Time to download the new audiobook pair for the week. Each title is available to download for one week only, but once downloaded may be kept by the recipient. Teens can build their listening collections and experience literature in a new way. Authors include Kwame Alexander, Jazz Jennings and Roberto Aguirre-Sacasa.

SYNC makes available two themed audiobook downloads every week, at no cost, to every registered listener, all summer. In 2018, 26 titles will be given away through the 13-week-long season. During the summer of 2017, the SYNC program gave away nearly 178,000 downloads to almost 28,000 participants. (The line-up will be posted on the school's Facebook page)

Spring St., Orfordville, WI. The second session will also be on Wednesday, March 14 from 5:00-6:00 p.m. in the Parkview District Office Conf. Rm located at 106 W. Church St., Orfordville.

At the March gatherings, District Administrator Steve Lutzke will review and answer questions related to how the District prepares for tragedies such as that which occurred last month in Parkland Florida.

Other questions and topics are welcome. The goal of the gatherings is to facilitate dialog, build partnerships and relationships and strengthen the connection between the District and community.
