## Class of 2020 Top Ten Students

Parkview High School is pleased to announce the Top Ten students in the class of 2020. Tentative plans for graduation are to be held at 1:00 p.m. on Sunday, June 28 or July 26, at 1:00 p.m. (both dates subject to change).

Each of the Top Ten Students was emailed a questionnaire with the same questions on it. Their responses are below their photos.

Sarah Olin

Sarah Olin is the daughter of Steve and Jamie Olin. She is the 2020 Valedictorian. Sarah plans on attending UW-Whitewater this fall, majoring in some aspect of business and finance preferably either Accounting or Human Resource Management.

*Can you share a favorite memory from high school?*

I do not have a specific memory that I consider to be my favorite in high school, but I think I always enjoyed going to different athletic events. I always loved playing volleyball and it was always such an exciting atmosphere in the gym. Even going to watch basketball games when the girls won conference, or the boys won regionals last year was a fun experience.

*What has been your favorite subject area in school?*

My favorite subject area in school has always been either mathematics or history, but my favorite class overall has been forensic science.

*Can you think of a positive from the school closures, etc. due to COVID-19? If so, would you like to share it?*

I believe that through this school closure I have learned to be much more diligent. Online coursework is hard to keep track of and I have learned how to be even more re-

(Continued on page 4)

Nevin Crane

Nevin Crane is the son of Jeff and Kathy Crane. He is the 2020 Salutatorian. Nevin plans on attending UW-Madison and studying economics in the fall.

*Can you share a favorite memory from high school?*

My Freshman year winning Mr. Parkview or shaving Mr. Wiemiller's head.

*What has been your favorite subject area in school?*

Anything science or math related.

*Can you think of a positive from the school closures, etc. due to COVID-19? If so, would you like to share it.*

I've been so busy and caught up in my own life the past four years, I am glad I can spend some time with my parents before I begin the next chapter of my life.

*I read a post from a teacher somewhere that students should be journaling about this time to share with their children in the future. Are you doing any journaling?*

No, I'm not. If I was journaling, I would tell them I never thought that my last day of high school would be in the middle of March.

*What do you miss most about not being in school right now?*

I miss my friends. No matter how good social media gets you can't replace your real friends.

## Update on School Closure

By Steve Lutzke, District Administrator

On Thursday, April 16, Governor Evers ordered all schools to remain closed for the rest of the school year. This news saddened me, but it is probably the right call. Trying to bring a large number of students and adults into the confines of a school building would probably result in someone transmitting COVID-19 to multiple people. As a result of the Governor's order, the school administration and Board developed a plan for the rest of the school year.

The plan for the rest of the year is as follows:

1. Virtual Instruction will continue through Friday, June 5. Last day for seniors is Friday, May 29. Students are required to participate in the instruction just as if they were attending school in the school building.
2. During the week of June 1, parents/students will be required to return the District iPad/Chromebook, cord, charger and Wi-Fi hotspot, cord and charger in the box (if provided by the District) and library books, classroom reading books and any other supplies that were sent home in March. We will follow curbside drop off.

## April 7 Parkview Referendum Successful

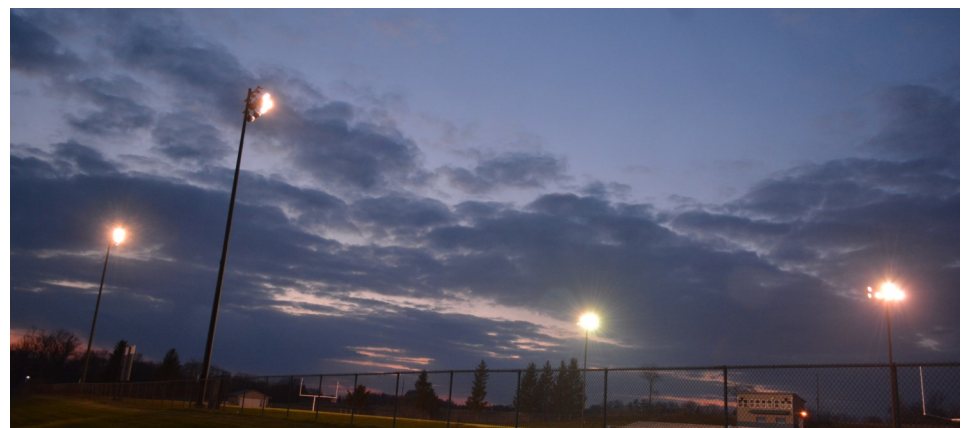

By Steve Lutzke, District Administrator

I'm happy to report the Parkview School District referendum that was on the April 7 ballot was successful. The results included 1009 Yes votes and 848 No votes. The District is appreciative of all those that went to the polls and especially those who voted in support!

This was a good day for Parkview students, staff, parents, and community, as the successful referendum will address real budget issues within the District. Additionally, the approved referendum will not increase the school tax rate.

The referendum will address non-recurring expenses consisting of technology and curriculum materials, classroom materials, new academic programming, additional bus routes and cost for recruiting and retaining quality staff.

Parkview is facing a \$921,000 shortfall for the 2020-21 school year and it grows larger in future years. Because of the community support shown on the referendum, the District will continue to grow the success of our students! #ParkviewCrew! Go Vikings!

  - d. We can't guarantee that either of these events will be allowed. If you haven't bought a prom dress or suit, don't rush out and buy one. Please wait until we get further direction from the State.
6. Parkview has rescheduled summer school to Aug. 3-14 from
7. 8:00 a.m.-3:00 pm. Summer school will be open to all students entering 1<sup>st</sup>-12<sup>th</sup> grade. We will be getting a revised PES summer school book out shortly. Students in grades 7-12 that need to make up a class will be contacted.

**April 1, 2020—Special Board Meeting Minutes**

**Present:** Don Bomkamp, Clay Hammes, Zach Knutson, Jennie Krajeck, Dianne Myhre, Tina Suiter-Meyers

**Absent:** Chuck Hagmann

**1. MEETING CALLED TO ORDER** – Clay Hammes – President

The meeting was called to order at 6:00 p.m.

1.1. Approval of Agenda

Motion by Don Bomkamp, Second by Tina Suiter-Meyers, to approve the agenda. All in favor, none opposed. Motion carried 6-0

**2. AUDIENCE PARTICIPATION**

Audience participation shall be in accordance with School Board Policy #187 - Public Participation at Board Meetings. (Policy is available at meetings.)

Citizens who wish to address the Board or present on any matter of school district concern shall make a written request to the Superintendent a minimum of 72 hours prior to the meeting. The Board may, by majority vote, give citizens who have not presented a written request, an opportunity to present concerns to the Board. The Board may ask questions for necessary clarification, however, generally will not discuss nor act on any item not already on the agenda and included in the public notice of the meeting.

2.1. Audience Comments - There were no requests to offer comments

2.2. Board Response to Comments

**3. CONSENT ITEMS**

3.1 Approve Teacher Resignation

Motion by Tina Suiter-Meyers, Second by Dianne Myhre, to approve the teacher resignation for PJH/HHS Math Interventionist David Wiemüller. All in favor, none opposed. Motion carried 6-0

**4. APPROVE MINUTES**

Motion by Don Bomkamp, Second by Dianne Myhre, to approve the minutes for March 16, 2020. All in favor, none opposed. Motion carried 6-0

**5. NOTICE OF PUBLIC HEARING**

During this Board meeting, the Board will hold a public hearing, pursuant to Wis. Stat. sec. 118.38(1)(b), to take comments from the public pertaining to the Board's plan to ask the Department of Public Instruction for a waiver of the number of required instructional hours for the 2019-2020 school year.

Superintendent Steve Lutzke explained the rationale for requesting a waiver for meeting the WI DPI instructional hours requirement due to the COVID-19 Pandemic. Lutzke also requested approval of a waiver to be released from the WI DPI Educator Effectiveness requirements for 2019-20 also due to the COVID-19 pandemic. Superintendent Lutzke explained that with providing virtual instruction each day it was likely Parkview would still meet the minimum required hours of instruction but the waiver was insurance in case the District did not meet the standard. Lutzke explained that the same was true of the Educator Effectiveness requirements. The administrative team felt it was likely they would meet a vast majority of the Educator Effectiveness requirements, but the waiver would be insurance in case the administrative team was unable to meet the requirements. Discussion followed the explanation.

**6. DISCUSS/ACTION REGARDING RESOLUTION TO REQUEST A WAIVER OF THE NUMBER OF REQUIRED INSTRUCTIONAL HOURS**

Motion by Dianne Myhre, Second by Tina Suiter-Meyers, to approve the waiver request for fulfilling the number of required instructional hours for the 2019-20 school year and for fulfilling the 2019-20 Educator Effectiveness requirements. All in favor, none opposed. Motion carried 6-0

**7. DISTRICT ADMINISTRATOR'S REPORT**

7.1 Discuss/Action Regarding Approval of Revision to Policy 151 – Board Policy Development

Superintendent Lutzke explained the revisions to policy 151 were necessary to allow the Board to present and approve a new policy at a single meeting. Discussion followed.

Motion by Jennie Krajeck, Second by Don Bomkamp, to approve the revisions to Policy 151. All in favor, none opposed. Motion carried 6-0

7.2 Discuss/Action Regarding Policy to Allow Board Members to Participate Remotely in Board/Committee meetings.

Steve Lutzke explained the components of the proposed new policy 186 which would allow a Board member to participate in a meeting remotely. The Board discussed several components in the draft and made several revisions. Discussion followed. Motion by Zach Knutson, Second by Don Bomkamp, to approve new policy 186 to allow a Board member to participate in a Board/Committee meeting remotely and to waive Item #4 during the WI declared COVID-19 emergency. The motion also revised Item #4 to read, "No Board member shall participate remotely in a regular Board meeting more than two (2) times during a calendar year. This two (2) meeting limit does not apply to committee meetings. However, the Board, by majority vote, shall allow a Board member to participate remotely more than two (2) times when conditions or circumstances justify such added remote participation."

The motion also included removing the word "Pandemic" from 2(c), and adding to Item #9

"Remote participation is also not allowed to vote on items discussed during closed session." All in favor, none opposed. Motion carried 6-0

**8. CLOSED SESSION**

The Board will convene into closed session under Wisconsin State Statute 19.85(1)(c) for the purpose of considering employment, promotion, compensation or performance evaluation data of any public employee over which the governmental body has jurisdiction (classified employees and coaches), 19.85(1)(e) for deliberating about a contract (Kobussen) and 19.85(1)(f) for the purpose of approving previous closed session minutes. Motion to convene into closed session was made by Don Bomkamp at 6:48 pm. and seconded by Jennie Krajeck. Roll call vote: Knutson-Yes, Krajeck-Yes, Bomkamp-Yes, Suiter-Meyers-Yes, Myhre-Yes, Hammes-Yes. Motion passed 6-0. Closed session began at 6:48 pm.

A motion to return to open session was made at 7:15 pm by Zach Knutson and seconded by Jennie Krajeck. All in favor, none opposed. Motion carried 6-0

**9. THE BOARD WILL RECONVENE INTO OPEN SESSION AND VOTE, IF NECESSARY, ON ANY ITEMS DISCUSSED IN CLOSED SESSION.**

9.1 Discuss/Action Regarding Compensation for Hourly Employees During Governor Evers' Safer at Home Order.

## Daughters of the American Revolution (DAR) Award

By Lisa Kempthorne

The DAR Good Citizen Award and Scholarship Contest is intended to encourage and reward qualities of good citizenship. The award recognizes one senior annually, who possess qualities of leadership, service, character and integrity.

The Parkview staff and administration are both proud and honored to announce Caden Lawrence as our 2019-2020 DAR recipient. Caden was chosen by staff and his classmates.

An exemplary student at Parkview, Caden was inducted into the National Honor Society and has earned a consistent 3.9 GPA throughout his high school years. Beyond academics, Caden is involved in Future Farmers of America (FFA), has held part time employment, enjoys playing the guitar and has been a four-year member of the Parkview track team.

Caden has a passion for exploring new experiences that will allow him to learn and grow. Enrolling in elective courses at Parkview, participating in a variety of sports and volunteer experiences in the community, provide this need to explore.

Caden plans to attend UW-Madison in the fall and focus on studies related to agriculture and business. 'I am excited for what the future holds for me.'

Caden would like to thank his parents, Brian and Lisa for their ongoing support and encouragement. Always believing in him and his ability to be successful in all his endeavors.

On February 13, 2020 Caden was honored at the local DAR reception held at the Rasey House in Beloit. Caden was accompanied by his parents and his chosen teacher, Joel Schullo.

## Sarah Olin Receives REC Scholarship

"The 2020 Rock Energy Cooperative Scholarship winners possess the qualities that will help them succeed in their college studies as well as their chosen professions. A committee of co-op members met in February to select fifteen graduating seniors from our service territory to receive a college scholarship." (from the April issue of Wisconsin Energy Cooperative News).

## Washington, D.C. 2021

This year's 6th and 7th graders are eligible to register for the Washington, D.C. trip that will take place in June of 2021. Dates for the trip are Friday, June 4th to Wednesday, June 9th. Students will travel by Coach bus overnight on the 4th and arrive in D.C. in time for breakfast on the 5th. They will spend 4 busy days touring the D.C. area. Finally, students will travel overnight on June 8th to return home on the morning of the 9th. The informational meeting that was scheduled Wednesday, March 25th, 2020 was cancelled. Any parents/guardians who were planning to attend that meeting or who are interested in more information regarding this trip should email Jamie McSherry at [jmcsberry@email.parkview.k12.wi.us](mailto:jmcsberry@email.parkview.k12.wi.us).

Please include "DC Trip" in the subject line of your email. Mrs. McSherry will then share details of the trip with those interested electronically.

### Scholarship (Continued from column 3)

Sarah Olin was one of the fifteen scholarship winners chosen to receive a \$1000 scholarship. The award was supposed to be presented at the Cooperative's Annual meeting on March 30, but the event had to be cancelled due to the Covid-19 directives.

## Staff Profiles

My name is Vicki Neal and I have taught 1<sup>st</sup> grade in the Parkview School District for the past 35 years. I started my career teaching at Orfordville Elementary, then transferred to Footville Elementary, and then to Newark Elementary. When I taught at Newark, I was fortunate to be one of two 1<sup>st</sup> grade teachers, the other being my mother. At this time, my daughters were attending Newark and Laura was in my mother's classroom. My father was teaching 4<sup>th</sup> grade at the time, and Megan was in his classroom. It was one of my most memorable years to have us all together. Presently, I am teaching in the school where I attended High School. I feel that I have come full circle.

*Will you tell us a little about your family?*

My husband, Mark, and I were both 1980 graduates of Parkview. We have two daughters who are both graduates of Parkview. My oldest daughter, Megan, is a Dental Hygienist in Madison and also recently opened a Dental Assistant School. Megan and her husband Andrew Lewis, have two children, Brody and Chloe. My youngest daughter, Laura, teaches 1<sup>st</sup> grade at Jefferson Elementary in Janesville. Laura and her husband, Aaron Laursen, have two children, Kamden and Lainey. Kamden attends 4K in the Parkview School district. My husband, Mark, owns and operates Lynn Transportation in Beloit.

I am a third-generation teacher in the Parkview district. My grandmother, Mildred Olson, was a Reading Specialist. My father, Dennis Olson, was a fourth and sixth grade teacher, Principal and Guidance Counselor. My mother, Sandra Olson, taught 1<sup>st</sup> and 3<sup>rd</sup> grades.

*What do I like to do for fun?*

My husband and I love to go camping around the area on weekends with family and friends. My parents have a cabin in Hayward

(Continued in next column)

that we enjoy going to during the winter to snowmobile. The past few years we have flown to Washington State, Colorado and Arizona to visit family. One of our favorite places to visit is Door County. We usually try to make it up there in October. We enjoy their Fish Boils!

*Why do you love teaching at Parkview?*

I love teaching at Parkview! Some of my best friends are teachers here as well. I feel like I have spent my entire life as part of this wonderful Parkview family. It is such a wonderful feeling when you love your job and what you do. It is hard to imagine my life without a classroom full of 1<sup>st</sup> Graders. I have had the privilege to meet so many wonderful families throughout my years. Many of the families have become close friends. Now, I am teaching some of my former student's children. I love it!!! It is a feeling that I can't explain. Thank you, Parkview families, for giving me the opportunity to teach your children for the past 35 years.

Bonnie McMahon

My position is a Paraprofessional Educator I have worked at Parkview starting as an outside aide (watching for smokers) for one and a half years. I worked as a study hall supervisor for two years. Then I got a job working one on one with several students. Later they discontinued one on one so I worked in different classes with several students. I really enjoy working with the students and the staff at Parkview; they have become my family.

I worked at Fran's Cafe in Footville for five years. I enjoyed meeting new people and getting to know the regular patrons.

I married my high school sweetheart, Mike, right out of school. wW have been married for 47 years this August. We were blessed with four children, Dianne (Greg), Spring (Paul), Peter (Sommer), and Jebadiah (Janell) better known as Jeb, twelve grandchildren (nine that have or are attending Parkview and three that went to Janesville.) We were also

sponsible for myself and how to keep track of my work when no body is there to constantly remind me about it.

*I read a post from a teacher somewhere that students should be journaling about this time to share with their children in the future. Are you doing any journaling?*

No, I think I am taking this time to relax as much as possible and do things I enjoy when not doing my schoolwork.

*What do you miss most about not being in school right now?*

I think the thing I miss most about school right now is interacting with my teachers and classmates. I feel like I am missing the opportunity to see some of my peers and teachers for the last time before I graduate.

*What piece of advice would you like to share with underclassmen to help them do well the rest of their years in high school?*

I would tell underclassmen to be involved in as many things possible and not let an opportunity slip by. I wish that I would have tried more things throughout high school and before you know it, it is all over.

Hallie Case

Hallie Case is the daughter of John Case and Marsha Scieszinski.

*What are your plans after graduation?* I plan to attend UW - Madison to pursue a degree in biochemistry. With that degree I hope to go to Veterinary School to become a large and small animal veterinarian.

*Can you share a favorite memory from high school?*

The yearly Ag Olympics.

*What has been your favorite subject area in school?* Science, Math, and Computer Science.

*Can you think of a positive from the school closures, etc. due to COVID-19? If so, would you like to share it?* I am learning how to better manage my time as well as how online classes function.

*I read a post from a teacher somewhere that students should be journaling about this time to share with their children in the future. Are you doing any journaling?*

No.

*What do you miss most about not being in school right now?*

I miss seeing my friends, they are a great at helping me destress from my homework load.

*What piece of advice would you like to share with underclassmen to help them do well the rest of their years in high school?*

Do not procrastinate. It is a very bad habit and causes a lot of unnecessary stress.

Selam Cruger

Selam Cruger is the daughter of Penny Cruger and Dan Cruger.

*What are your plans after graduation?* I plan to go to college in Florida, I am unsure of exactly what I want to major in.

*Can you share a favorite memory from high school?*

My favorite high school memory was being in the homecoming parade, passing candy out to all the cute kids & being homecoming queen!

*What has been your favorite subject area in school?*

My favorite subject area in school has been social sciences.

*Can you think of a positive from the school closures, etc. due to COVID-19? If so, would you like to share it?*

Yes, I think that it has given time to students and teachers, and really just people in general to figure out who they are, and what keeps them motivated and fulfilled.

*I read a post from a teacher somewhere that students should be journaling about this time to share with their children in the future. Are you doing any journaling?*

I have been doing some journaling during this time, but mostly I have just been reflecting a lot and thinking about how I can help bring a smile to someone.

*What do you miss most about not being in school right now?*

I miss all the laughs with friends, the small achievements in classes, and I miss seeing people regularly.

*What piece of advice would you like to share with underclassmen to help them do well the rest of their years in high school?*

I would encourage any underclassmen to take all the opportunities they are given, to really try new things and invest into things they enjoy. And most importantly to enjoy high school, and being a teen.

Kiersten Faldet

Kiersten Faldet is the daughter of Christy and Brian Fox.

*What are your plans after graduation?*

After graduation I plan on attending Beloit College in the fall. I am considering education as my major, but I know for sure that I would like to minor in museum studies.

*Can you share a favorite memory from high school?*

I think my favorite memory from high school would probably be the opening nights of the musicals I was in. It was always great finally getting to bring the show together in front of a crowd

*What has been your favorite subject area in school?*

My favorite subjects in school have been art, history, and English. I enjoy opportunities for creativity and research, and these subjects allowed that.

*Can you think of a positive from the school closures, etc. due to COVID-19? If so, would you like to share it?*

A positive which has come from the current closure situation is that I get to be with my family a lot more. During the school year I was always so busy, and I didn't get to see them as much as I'd like to.

*I read a post from a teacher somewhere that students should be journaling about this time to share with their children in the future. Are you doing any journaling?*

I haven't been keeping a physical journal, but sometimes I write down my thoughts and feelings on my phone. With the extra time I have now I've been doing it more frequently than I did before.

*What do you miss most about not being in school right now?*

I think the part I miss most about school not being in right now is

the memories I feel like I'm missing out on. As the class of 2020 we don't get to have a normal senior year, and it's not an easy thing to face. Remembering that we're giving those memories up in order to protect the health and safety of ourselves and everyone around us has really helped me come to terms with this.

*What piece of advice would you like to share with underclassmen to help them do well the rest of their years in high school?*

I think the best advice I have is to make sure to work as hard as you can, but also make sure to take time to do things you enjoy as well. Succeeding in school is important, but so is looking out for your own wellbeing and happiness. Never feel guilty for taking some time to pursue a hobby or interest if it's what makes you happy.

Caden Lawrence

Caden Lawrence is the son of Brian and Lisa Lawrence.

*What are your plans after graduation?* As of right now, I have been accepted to the University of Wisconsin - Madison and plan on pursuing a degree in agronomy.

*Can you share a favorite memory from high school?*

I've made lots of memories in high school so it is hard to pick just one detailed memory, but the ones I miss the most are the late nights spent at track meets.

*What has been your favorite subject area in school?*

My favorite subject area is math, followed by science and computer programming because they are intertwined, and things learned in one can be used in the others.

*Can you think of a positive from the school closures, etc. due to COVID-19? If so, would you like to share it?*

The school closure has given me plenty more free time to enjoy the things I like doing outside (My personal favorite is riding my dirt-bike through the fields).

*dren in the future. Are you doing any journaling?*

I have not been doing any journaling. I'm satisfied enough to be able to just think back on it, as I don't think I could forget if I wanted to.

*What do you miss most about not being in school right now?*

What I miss most about school is the ability to socialize with my friends.

*What piece of advice would you like to share with underclassmen to help them do well the rest of their years in high school?*

Enjoy high school while you are there because before you know it, you will have started to make important decisions in your life regarding your future and realize high school was simple and relaxing.

Audrey Pisz

Audrey Pisz is the daughter of Richard and Kelley Pisz.

*What are your plans after graduation?*

I do not have a set plan for after graduation, but I hope to travel for a bit and hopefully find something I'm passionate enough about to build a career on. I do not have any specific college or work plans, but for now I plan to go straight into the workforce after high school and see where it takes me. I might just take a gap year to find something I want to go to school for, but I'm not sure yet.

*Can you share a favorite memory from high school?*

My favorite memories were always the dances. From homecoming to prom, I always had a good time at school dances, and they will probably be the thing I miss the most about high school. Social gatherings like that are always a good time, and I've made some of my best memories with my friends while we were at them.

*What has been your favorite subject area in school?*

My favorite subject area has always been social studies.

*Can you think of a positive from the school closures, etc. due to COVID-19? If so, would you like to share it?*

A positive to come from all of this would be the self-reflection and self-improvement that could come from being at home. I think it's good for some students to be away from the school setting for a while, but it is unfortunate it had to be right at the end.

*I read a post from a teacher somewhere that students should be journaling about this time to share with their children in the future. Are you doing any journaling?*

I haven't been doing any journaling yet, but I plan to! I think it's a great idea to journal your life in general, so to do it during this crazy time would be so cool to look at in the future.

*What do you miss most about not being in school right now?*

I miss being able to see and interact with my close friends so regularly at school.

*What piece of advice would you like to share with underclassmen to help them do well the rest of their years in high school?*

If you can, keep to yourself. There is a lot of unnecessary drama that can easily be avoided if you mind your own business and be nice and considerate to your peers. You never know what someone is going through, and it's better to keep to yourself than involve yourself in every single piece of drama you hear.

Remington Stark

Remington Stark is the daughter of Mark Stark and Stephanie Stark

*What are your plans after graduation?*

My plans for the future include attending Westminster College in Fulton, MO and majoring in International Business, as well as play softball for them.

*Can you share a favorite memory from high school?*

My favorite memories from high school was participating in sports, and the family aspect, as well as the personal achievements I have accomplished over the years.

*What has been your favorite subject area in school?*

My favorite subject over the years has been English, due to the nature of how the classes are taught.

*Can you think of a positive from the school closures, etc. due to COVID-19? If so, would you like to share it?*

One positive from the school closings is that now a lot of families are able to spend more time together, as well as allowing students to do more things at home they weren't able to before (read, bake, sleep more, etc.)

*I read a post from a teacher somewhere that students should be journaling about this time to share with their children in the future. Are you doing any journaling?*

I have not been doing any journaling in this time.

*What do you miss most about not being in school right now?*

The thing I miss the most is not being able to participate in my senior year of softball and losing all the valuable memories associated with it.

*What piece of advice would you like to share with underclassmen to help them do well the rest of their years in high school?*

One piece of advice I would share is to keep up with your schoolwork. It doesn't have to be perfect when you turn it in, but the grade will only get worse the longer you take. Unfinished schoolwork stacks up and becomes overwhelming for many students.

Andrew Vonderhaar

Andrew Vonderhaar is the son of Mike and Shirley Vonderhaar.

*What are your plans after graduation?*  
My plans for after graduation are to go to UW Platteville to get a degree in software engineering.

*Can you share a favorite memory from high school?*

My favorite memories are the lunches.

*What has been your favorite subject area in school?*

My favorite subject areas are math and computer science.

*Can you think of a positive from the school closures, etc. due to COVID-19? If so, would you like to share it?*

I cannot think of a positive of school closures.

*I read a post from a teacher somewhere that students should be journaling about this time to share with their children in the future. Are you doing any journaling?*

I'm not doing any journaling.

*What do you miss most about not being in school right now?*

I miss having the ability to talk to teachers directly outside of class.

*What piece of advice would you like to share with underclassmen to help them do well the rest of their years in high school?*

Make sure to have classes you enjoy doing to balance out the stress.

Joseph Warthen

Joseph Warthen is the son of Wyatt and Terra Warthen.

*What are your plans after graduation?*

I plan to go to Black Hawk Technical College or attend the Project Search Program at Mercy Hospital if I get accepted

*Can you share a favorite memory from high school?*

I enjoyed being able to bring in my vintage video games and explain them to students

*What has been your favorite subject area in school?*

Programming and science

*Can you think of a positive from the school closures, etc. due to COVID-19? If so would you like to share it?*

Spending time with my mom watching movies

*I read a post from a teacher somewhere that students should be journaling about this time to share with their children in the future. Are you doing any journaling?*

Not yet, but I'm going to start

*What do you miss most about not being in school right now?*

I miss friends, teachers, and work being on paper

*What piece of advice would you like to share with underclassmen to help them do well the rest of their years in high school?*

Keep working hard even if you have some learning problems. There are great teachers at Parkview to help you

blessed with a great grandson Jonah. I enjoy being with family; we try to get together every Friday night but with this new stay safe at home, we have not been doing that. I have only seen Jonah once and would really like to spend more time with him and the others. I like to do jigsaw puzzles, go for rides, movies and just spending time with Mike.

This will be my last year at Parkview; it is very sad to leave the people that I have come to know as family. I have gotten to see my grandchildren come to Parkview and grow up. I think that the hardest part is not being there for the last 2 coming up. (I'm sure they will be glad I'm not there to keep an eye on them.)

**Parkview Salutes Seniors**

In addition to the #BeTheLightTrailways event on April 17, Parkview JR/SR High Principal Mary Stelter and her husband Eric Stelter provided the sign pictured above for every senior and with the help of Connie and Rachel Torkelson delivered and placed them at each senior's home.

Parkview seniors are also being featured on the Parkview School District Facebook page, one senior at a time.

**First Graders Learning in a New Way**

Parkview 1<sup>st</sup> graders are busy learning online and having a lot of success. We use a variety of tools and virtual instruction methods to stay connected to our families.

For example, we use Class Dojo with our families, and it is a great way to stay connected. Class Dojo is a communication app used to connect families with school. Teachers and students share photos, videos, and messages between home and school. Students sign into their iPads daily and work through their assigned lessons. Their lessons cover the skills that students would have learned in the traditional classroom.

In addition to their classwork, students are also able to take part in physical education, music, art, and coding instruction. Students submit their work on their Dojo portfolio page for their teachers to see, make comments, and approve their work. It is a great way for us to provide feedback to our students. We also meet with our students on a daily basis for approximately 40 minutes using video chat via Zoom. During this time, students are able to see each other and share with their classmates. Teachers are also able to go over instructional materials and connect with students who may be struggling.

Needless to say, this time has been an adjustment for everyone, but we have all persevered and adjusted quickly and efficiently. Students and teachers have agreed the most difficult part is not having the close interaction each day, but we are making the most of our situation. We miss our 1<sup>st</sup> graders dearly and hope to see them all soon!

Before our online learning, 5th grade scientists worked on creating prosthetic legs that could support their own weight. Most of the students worked in pairs on this project. I miss problem solving and connecting with this great crew!

Finance Committee 04/14/2020 at 5:30 P.M.

Referendum Information Meeting is scheduled in the PES LMC on: 04/06/2020 at 5:30 P.M. All are welcome and encouraged to attend this informative meetings.

**7. ATHLETIC DIRECTOR’S REPORT:** by Shane Suehring - who was unable to attend this meeting. Principal Mary Stelter covered his report, and answered any questions regarding his report. It was further clarified that Shane was able to place a Parkview female hockey player onto the Stoughton Girl’s Hockey program as discussed from a previous meeting. See his report.

7.1 Discuss/Action on Approval of Boys Hockey Cooperative Agreement – 2020 -2022. Shane’s report indicated that the Beloit Boys Hockey Cooperative was accepting players, but that Parkview did not have any players interested at this time. **Motion** by Don Bomkamp, 2nd by Jenny Krajeck to: Approve the Hockey Coop. All in favor voted “Aye”, none opposed, **Motion Carried 5-0.**

**8. DIRECTOR OF PUPIL SERVICES REPORT:** Todd Greco provided a written report, and with no related questions, deferred to the Action Item listed below. See his report.

8.1 Discuss/Action on English Language Teacher Proposal: The ELL (English Language Learning) program population is growing at Parkview, and it has been determined that another teacher is required at the PES level to better assist the students we have needing this instruction. PES Math Interventionist Ms. Robin Nelson is interested and available to fill this position, but requires some additional education to obtain the proper licensure. The proposal would allow Ms. Nelson to pursue this education with the District covering the tuition cost of \$6,200.00. If Ms. Nelson leaves the District prior to the 2021-22 school year, she would be required to reimburse the District for the full cost of the tuition. Ms. Nelson would have to reimburse the District \$5,000 if she left in 2022-23, \$4,000 if she left on 2023-24, \$3,000 if she left in 2024-25, \$2,000 if she left in 2025-26 and \$1,000 if she left in 2026-27. She would receive a base pay increase of \$1,500.00 in the 2020-2021 school year, and a base pay increase of \$3,500.00 in the 2021-2022 school year (after obtaining her licensure) to closer match the salary of

other area ELL instructors at this level. Further, Ms. Sara Carothers (who is the Parkview Spanish teacher) would be appointed the PJHS/PHS ELL Coordinator and receive a base pay increase of \$3,500.00 beginning in the 2020-2021 school year. Discussion followed. **Motion** by Don Bomkamp, 2nd by Jenny Krajeck to: Approve the English Language Teacher Proposal. All in favor voted “Aye”, none opposed, **Motion Carried 5-0.**

### 9. DIRECTOR OF CURRICULUM, INSTRUCTION & ASSESSMENT REPORT

Jen Bowers provided a written report, and highlighted the following items:

- 1). All mandatory testing has stopped due to the school closures until classes resume;
- 2). The Junior Class did complete their ACT exams prior to the shut-down;
- 3). The District purchased the 4K version of Amplify (for testing) and the teachers are becoming familiar with it during the shut-down period. See her report.

### 10. PRINCIPALS’ REPORTS

**PHS Principal Mary Stelter** provided a written report and highlighted the following items:

- 1). The Merit Company (a post high school education tracking firm) has provided several updates regarding recent Parkview graduates;
- 2).The ACT ‘BootCamp’ was a big success;
- 3). A S.T.E.M program from New Jersey contacted Mary and praised the Parkview District for some of our educational achievements and the postings we have on FaceBook. They are using some of our suggestions, and offered a couple examples of things that have worked well for them;
- 4). The Marketing Class outing has been cancelled along with any other extra-curricular school related outings and athletic events until further notice;
- 5). BandCafe Breakfast was another huge success. See her report.

**PES Principal Karen Strandt-Conroy** provided a written report and highlighted the following items:

- 11). PES students have been using a ‘ZOOM’ program (similar to SKYPE) to promote their design ideas for marketing products they designed;
- 2). There were no Teacher / Department presentations due to the shut-down. See her report.

310.1 Discuss/Action on Approval of Culinary Club Proposal at PHS: Mary Stelter presented a proposal to allow Ms. Sara Carothers to form and direct a Culinary Club at Parkview. A Mission Statement was provided and was reviewed by the Board. Fund raisers and bake sales would cover the initial startup costs, and Ms. Carothers would volunteer her time. Discussion followed. **Motion** by Tina Suiter-Meyers, 2nd by Jenny Krajeck to: Approve the Formation of a Culinary Club at Parkview as proposed. All in favor voted “Aye”, none opposed, **Motion Carried 5-0.**

**411. DIRECTOR OF BUILDINGS & GROUNDS REPORT:** Jeff Lund provided a written report. There were no questions regarding his report, and he deferred to the Action Item listed below.

511.1 Discuss/Action on Approval of Barricade Drill Evaluation: Annually we are required to review and submit to the State an Active Shooter/Barricade Policy for our buildings. The PES and PHS building policies were reviewed and sent out as required. **Motion** by Don Bomkamp, 2nd by Tina Suiter-Meyers to: Approve the PES and PHS Barricade Drill Evaluations. All in favor voted “Aye”, none opposed, **Motion Carried 5-0.**

**612. BUSINESS MANAGER’S REPORT:** Tracy Case provided a review of the Business Managers report, and deferred to the Action Items listed below.

712.1 Discuss/Action on Wellness Day Proposal: The Finance Committee approved a proposal to provide a ‘Wellness Day’ to the employee benefit package. This would allow employees to have 6 paid Sick Days, 3 paid Personal Days, and 1 Wellness Day to be used at their discretion during a school year. **Motion** by Tina Suiter-Meyers, 2nd by Don Bomkamp to: Approve the Wellness Day Proposal. All in favor voted “Aye”, none opposed, **Motion Carried 5-0.**

812.2 Discuss/Action on Unused Sick Day Payout: The Finance Committee approved a proposal to provide an increase in the payout of unused sick time from \$3.50/hour to \$4.50/hour if an employee has over 1200 hours left on the books. Discussion followed as to the timeframe for implementation of this increase. It was agreed that such an increase would start immediately. **Motion** by Don Bomkamp, 2nd by Chuck Hagmann to: Approve the Increase of Unused Sick Day pay from \$3.50 to \$4.50 effective immediately. All in favor voted “Aye”, none opposed. **Dianne Myhre abstained from voting. Motion Carried 4-0.**

912.3 Discuss/Action on Approval of February 2020 Financial Statement: Tracy Case provided the monthly February 2020 Financial Statement to the Board for review. There were no concerns or complaints. **Motion** by Don Bomkamp, 2nd by Jenny Krajeck to: Approve the February 2020 Financial Statement. All in favor voted “Aye”, none opposed, **Motion Carried 5-0.**

1012.4 Discuss/Action on Correction to December PTO Donations: Tracy Case brought an issue to the Board regarding Approval of Consent Items during the December 16, 2020 Regular Board Meeting. Consent Item 5.5 (Donation of \$846.00) and Consent Item 5.6 (Donation of \$600.00) were approved by the Board, but the monies were not provided to the District until January 2020 when the amounts were erroneously entered again as donations. We only received each of the amounts one time, and that was in January. Therefore, the December Consent Items 5.5 and 5.6 will be stricken from the records. **Motion** by Don Bomkamp, 2nd by Jenny Krajeck to: Strike Approval of Consent Items 5.5 and 5.6 as PTO Donations from the December 2019 Minutes. All in favor voted “Aye”, none opposed, **Motion Carried 5-0.**

**13.DISTRICT ADMINISTRATOR’S REPORT:** Dr. Lutzke provided a written report and highlighted that our Parkview Pride Billboards and Facebook postings have been reaping benefits from the Marketing Program for Parkview. We have gained several new students, and have heard of other families interested in touring our schools. See his report.

14.13.1Pandemic Plan Review: Dr. Lutzke has been in contact with the Rock County Health Dept. and receiving updates from DPI (Department of Public Instruction) regarding the Governor’s directive to close Public Schools. The initial plan was for a 3 week closure, but that is changing daily (even hourly) as to the possible duration of closure time. DPI is working to grant waivers to public schools regarding the required amount of teaching time that students will be required to achieve to successfully complete the school year. Our Administrative team is working on ways to provide teachers and students a means to keep learning during the shut-down.

13.2 Discuss/Action Regarding Virtual Learning Planning: A Virtual Learning Plan template is in place, and teachers are gearing up to ‘Zoom’ coursework to their students. Grades 7-12 students already have their mobile learning devices at home with them, and courses are being sent out on the GoogleClassroom format to help keep them up to speed. Kindergarten-6 students are being provided with iPads for their assignments through a distribution program being set up at PES (See Action Item 13.6 below). Poor internet service is a drawback to this idea, but FREE internet platforms are being offered to schools to help cover that gap in service. Parkview is pursuing several options. **Motion** by Tina Suiter-Meyers, 2nd by Don Bomkamp to: Approve the Virtual Learning Plan. All in favor voted “Aye”, none opposed, **Motion Carried 5-0.**

13.3 Discuss/Action Regarding Out of State School Related Travel and Spring Sports/Extra-Curricular Travel: STRIKE ITEM FROM THE AGENDA. Federal and State Agencies have canceled all related events. **No Action Required**

13.4 Discuss/Action Regarding Hourly Pay Status Related to a Pandemic School Closing: Dr. Lutzke, Tracy Case and the Finance Committee propose a one-time addition of 5 paid sick days to all hourly employees to help cover the next 15 days of shut-down time. Two weeks of work tasks are available to hourly employees to help during the shut-down. The 10 person per area restrictions will be enforced as needed for health reasons. **Motion** by Don Bomkamp, 2nd by Jenny Krajeck to: Approve the ONE TIME addition of 5 paid sick days for hourly staff members related to a Pandemic School Closing. All in favor voted “Aye”, none opposed, **Dianne Myhre abstained from voting. Motion Carried 4-0.**

13.5 Discuss/Action Regarding Revision to April 6-10 Spring Break: STRIKE ITEM FROM THE AGENDA. Break Dates to remain unchanged. **No Action Required**

13.6 Discuss/Action Regarding Plan to Send Home Mobile Devices with PES Students: Plans are in place to distribute iPads to all Kindergarten-6 students to allow them to continue receiving and processing assignments from their teachers. A special insurance package for the devices will protect them f

Special Meeting minutes continued from page 2

Motion by Don Bomkamp, Second by Jennie Krajeck, to approve continuing to pay all hourly employees retroactive to March 25 and continuing through April 24 due to the WI mandated COVID-19 school closure and to provide bonus pay and additional paid vacation for 12-month employees and additional personal time for 9 month employees that were required to work as outlined in the memo discussed at the meeting. Five votes for, Dianne Myhre abstained, none opposed. Motion carried 5-1-0.

9.2 Discuss/Action Regarding Compensation for Spring Coaches that are Unable to Fulfill Their Duties Due to COVID-19.

Motion by Tina Suiter-Meyers, Second by Don Bomkamp, to approve paying spring coaches 25% of their coaching stipend as a result of the athletic season postponed due to COVID-19. All in favor, none opposed. Motion carried 6-0.

**10. ADJOURNMENT**

Motion to adjourn was made by Don Bomkamp at 7:26 pm and was seconded by Tina Suiter-Meyers.

All in favor, none opposed. Motion carried 6-0.

for \$7.00 / unit. Distribution will begin shortly following the regular bus routes to ensure younger students have similar access to the resources older students have already taken home. **Motion** by Don Bomkamp, 2nd by Chuck Hagmann to: Approve Plan to Send Home Mobile Devices with PES Students. All in favor voted "Aye", none opposed, **Motion Carried 5-0.**

13.7 Discuss/Action Regarding 2020-2021 Contract with #SocialSchool4Edu: Dr. Lutzke shared a recommendation for financial savings in the renewal of our Social Media contract. The company is offering a 3 year package for \$8,500.00 per year in-lieu of the usual \$9,000.00 per year rate. We have noticed increased positive feedback about our District and our levels of academic achievement through the use of this company. Motion by Jenny Krajeck, 2nd by Don Bomkamp to: Approve the 3 year Contract with #SocialSchool4Edu for \$8,500.00 per year. All in favor voted "Aye", none opposed, **Motion Carried 5-0.**

**14. CLOSED SESSION**

The School Board will adjourn into closed session pursuant to Wisconsin State Statutes 19.85 (1)(c) to consider employment, compensation, performance evaluation data or resignation of any public employee over which the governmental body has jurisdiction or exercises responsibility, namely, with regard to teachers and 19.85(1)(f) for the purpose of approving previous closed session minutes. **Motion** by Chuck Hagmann, 2nd by Jenny Krajeck to: Adjourn into Closed Session.
