School Supply Kitz for Sale

Do you want to check one thing off the summer to-do list before school ends? Would you like to avoid the traffic, time, and hassle of buying school supplies at the store? Parkview Elementary is partnering with Bright School Kitz to provide school supply kits that are delivered directly to the school before the first day.

The school supply kits will match the teacher supply lists by grade. The kits, filled with brand names (Crayola, Elmer's, Ticonderoga, etc.) and quality products, are competitively priced with local and large retailers. In addition, Bright School Kitz hires developmentally disabled adults to pack the kits, so you are helping out the community.

To order, go to www.schoolkitz.com and order on the secure website with your credit card. Or look for the flyers that will be sent home from school with your child(ren). After the early ordering deadline of 6/8/2018, the price of the kits will increase \$5, so order now!!! Parents can still order kits after this date until 7/20/18. The Kits will be delivered to the classrooms before the first day of school.

A portion of each kit ordered raises funds that are sent to the Parkview Elementary PTO for the benefit of our school.
