The school supply kits will match the teacher supply lists by grade. The kits, filled with brand names (Crayola, Elmer's, Ticonderoga, etc.) and quality products, are competitively priced with local and large retailers. In addition, Bright School Kitz hires developmentally disabled adults to pack the kits, so you are helping out the community.

To order, go to [www.schoolkitz.com](http://www.schoolkitz.com) and order on the secure website with your credit card. Or look for the flyers that will be sent home from school with your child(ren). After the early ordering deadline of 6/8/2018, the price of the kits will increase \$5, so order now!!! Parents can still order kits after this date until 7/20/18.
