Paws for Parkview Rummage Sale

Paws for Parkview will be holding a rummage sale on May 5 in the small pavilion at Purdy Park during Orfordville rummage sale day to help raise funds. If you have anything to donate to the rummage sale or would be willing to help, just stop in at the pavilion first thing in the morning. Items will be sold as a "make an offer" sale. Otherwise, stop and buy something!

They will also accept donations for Paws for Parkview at the event.

Parkview FFA Alumni Plant Sale

Parkview FFA Alumni will be having their annual plant sale on Saturday May 5th at 413 E. Beloit Street, during the rummage sales. We will have beautiful plants again this year from Ahrens Acres. They have the best geraniums around! In addition to the geraniums, we will have more annuals, hanging baskets, perennials, and vegetable plants. Proceeds from the plant sale will support the Parkview FFA program.

PTO Office Election

Our next meeting will include a vote for next year's Executive PTO Board Members. Absentee ballots cannot be accepted, you must be present to vote per the bylaws. **The meeting is May 8 at 6:00 p.m. in the PES LMC.**

By default, Dr. Strandt-Conroy is a board member as the principal of the school, there is no vote for this position.

Running for president are Karissa Wendt and Amber Bennett.

Running for Vice President are Amber Bennett and, wanting to co-chair the position are Alyssa Givens and Michelle Carr.

Running for Secretary is Dawn Marie Dean.

Running for Treasurer is Julie Shreck (Although her child does not attend PES this year, they will be next year. This is acceptable according to the bylaws).

Per the bylaws, anyone wishing to run in the election may still come forward; however, they will be considered a write-in candidate with no public announcement.

Each candidate, on the ballot or write-in, will give a brief introduction of themselves prior to the election. ****Please remember that every parent of a PES student and every PES teacher is a PTO member by default! You only need to be present at the meetings to vote on current issues and how PTO funds are spent. Suggestions can always be submitted outside of the meetings; however, if you are passionate about your ideas, you are the best person to present them.**

There are a myriad of opportunities to be as involved with the PTO and make a real difference in the school lives of our children as you want. You can head up committees, have your ideas and opinions heard without committing to a project, you can be a committee member, and so much more!

Anyone wishing to run as a write-in is welcome to PM me for a full list of the position's duties and responsibilities. I'll be happy to answer any questions about this year's bylaws as well

Dawn Marie Dean

Eight Grade Science Fair

The 8th Grade Science Fair Night will take place on Tuesday, May 8 from 3:30-6:30pm at the JR/SR High in rooms 228 and 229 in the Science Wing. Our 8th grade students have worked diligently and creatively to perform a scientific project or scientific research from their own interest. All family members are welcome along with our school community to see the variety of presentation boards with models and visual aids. Attendees will receive a ballot to vote in specific categories for awards and honorary recognition
