National School Lunch Week is Oct. 9 - 13

October 9 – 13 is National School Lunch Week (NSLW). The 2017 theme is "School Lunch: Recipes for Success". The secrets to our school lunch success are the fresh fruits and vegetables, whole grains, low-fat dairy, and of course our student participation. Participating in the NSLW can help to increase student participation and spread the message that we serve healthy, delicious lunches at our schools. We encourage parents and grandparents to eat at school during NSLW. Please contact the building secretary at PES to reserve a meal as we take a daily count and want to make sure you have been included. (The price would be the adult price for the meal which is \$3.50.) Also during that week we again will participate on Thursday, October 12, 2017 in the 4th annual "Great

Lakes Great Apple Crunch". Every student and staff member will be allowed the opportunity to have an apple. The apples that we use are locally grown from Jess's Apple Orchard on Smythe School Road in Newark Township. Lisa Jess offers a variety of apples daily for our students to enjoy with their breakfast and lunch. The Great Lakes Great Apple Crunch is composed of hundreds of schools, non-profit state agencies and institutions. Enjoy your apples!

October is National Bullying Prevention Month

Each week the PES classrooms are focusing on a different theme.

Week 1-Reach Out to Someone New

Week 2-Talking Brings Us Together

Week 3-Standing Up For Others

Week 4-Take Note of the Little Things

On Wednesday, October 25, 2017, all Parkview students are to wear orange. This will send one large ORANGE message of support, hope, and unity to show that we are together against bullying. The class that wears the most orange will receive a "be a buddy not a bully" wrist band.
