- B. Disclaimer: The contents of this *Handbook* are presented as a matter of information only. The plans, policies and procedures described are not conditions of employment. The District reserves the right to modify, revoke, suspend, terminate, or change any or all such plans, policies, or procedures, in whole or in part, in accordance with District policy. In case of a direct conflict between this *Handbook*, rules, regulations or policies of the Board of Education and any specific provisions of an individual contract or collective bargaining agreement, the individual contract or collective bargaining agreement shall control. This *Handbook* and all provisions contained herein do not establish conditions of employment, are not a guarantee of employment, and are not an employment contract, express or implied.

General Personnel Policies

This *Handbook* is subservient to, and does not supersede the provisions set forth in District policies Series 500: Personnel.

SECTION 2: EMPLOYMENT LAW

Equal Opportunity

The Parkview School District shall not discriminate against an employee or applicant for employment on the basis of age, sex, race, color, religion, national origin, ancestry, creed, sexual orientation, pregnancy, marital or parental status, or physical, mental, emotional or learning disability/handicap, military service or any other basis protected by state or federal law. Reasonable accommodations shall be made for qualified individuals with a disability or handicap, unless such accommodations would impose an undue hardship to the District. Complaints regarding the interpretation or application of this policy shall be referred to the administrative staff and processed in accordance with established procedures.

Policy 511-Equal Opportunity Employment

Family and Medical Leave Act

The District's Family and Medical Leave Policy, Policy 523.01, is intended to conform to, and not exceed, the requirements of the Federal Family and Medical Leave Act of 1993 ("FMLA") and the Wisconsin Family and Medical Leave Act ("WFMLA"). The Policy is intended to comply with applicable laws and does not necessarily incorporate all provisions of such laws. The policy does not repeat every provision of the FMLA's or the WFMLA's statutory or regulatory requirements. Posters summarizing the benefits required to be provided under federal and state law are included as Appendix A of this handbook and can also be found with other employment-related postings in the District. In addition, employees may contact the District Business Office if they have specific questions.

Policy 523.22 Family & Medical Leave (FMLA)

Employee Harassment Prohibited

The Parkview School District is committed to maintaining and ensuring a working environment that is free of harassment or intimidation toward employees. The District will not tolerate any form of illegal harassment, including sexual harassment, and will take all necessary and appropriate action to eliminate it, up to and including discipline of the offenders. Harassment refers to physical or verbal conduct, or psychological abuse, by any person who disrupts or interferes with a person's work performance, or which creates an intimidating, hostile or offensive work environment. Harassment may be student to staff, staff to staff, male to female, female to male, female to female, or male to male. Harassment may include, but is not limited to, the following:

1. Verbal harassment, including epithets, kidding, derogatory comments, slurs or ethnic jokes;
2. Physical interference with movement, activities or work;
3. Visual harassment, including derogatory cartoons, drawings or posters; and
4. Sexual harassment, which is defined as any deliberate, repeated or unwanted verbal or physical sexual contact, sexually explicit derogatory statements, or sexually discriminating remarks that is offensive or objectionable to the recipient or which causes the recipient discomfort or humiliation or which interferes with the recipient's work performance. Sexual harassment can take the form of any unwanted sexual attention, ranging from leering, pinching, patting, verbal comments, display of graphic or written sexual material and subtle or expressed pressure for sexual activity. In addition to the anxiety caused by sexual demands on the recipient, sexual harassment may include the implicit message from the alleged offender that noncompliance will lead to reprisals. Reprisals may include, but are not limited to: the possibilities of harassment escalation, unsatisfactory work evaluations, difference in work treatment, sarcasm, or unwarranted comments to or by peers. It is further the policy of the District that a sexual relationship, or fraternization as defined by district policy #528 – Student Non-Fraternization Policy between staff and students is not permissible in any form or under any circumstances, in or out of the school/workplace, in that it interferes with the educational process and involves elements of coercion by reason of the relative status of a staff member.

Any individual who believes he/she has been subjected to harassment by any other person should report the incident to the building principal/designee or immediate supervisor. It is the intent of the District to create an atmosphere where complaints and alleged complaints will be treated fairly and quickly. If an employee is not comfortable with making a complaint to the principal/designee or immediate supervisor; the complaint may be made to any other adult employee. The employee will report the complaint to the appropriate principal/designee, supervisor or the District Administrator.

The District Administrator shall establish a written procedure for responding to complaints. The procedure shall include a means for the complainant to appeal decisions to the Board of Education. This policy and complaint procedure will be made available to all District employees on an annual basis. The District forbids retaliation against anyone who in good faith has reported harassment or cooperated in a harassment investigation.

Policy 512-Rule Procedure for Reporting Harassment

Policy 512-Staff Non-Discrimination & Anti-Harassment Policy

SECTION 3: GENERAL CONDITIONS OF EMPLOYMENT

Health Examinations

The District requires, as a condition of employment, that all new employees obtain a physical examination, including a tuberculin skin test. Freedom from tuberculosis in a communicable form is a condition of employment. If the employee's tuberculin skin test is positive, a chest X-ray shall be required. The Board of Education shall pay the cost for any required physical examination.

The physician conducting the physical examination shall prepare a report of the examination on a form prepared by the Department of Public Instruction (DPI) and available upon the DPI website. The physician shall use the report form to certify to the District that the person is free from tuberculosis in a communicable form. Subsequent physical examinations will be required at intervals determined by the Board of Education, consistent with state and federal laws and any applicable collective bargaining agreement provisions.

An employee may request an exemption from the physical examination requirement for religious reasons by filing an affidavit with the Board of Education stating that the employee depends exclusively upon prayer or spiritual means for healing in accordance with the teachings of a bona fide religious sect, denomination or organization and that the employee is to the best of the employee's knowledge and belief in good health and that the employee claims exemption from health examination on these grounds. If there is reasonable cause to believe that an employee who has requested an exemption is suffering from an illness detrimental to the health of the pupils, the Board of Education may require a health examination sufficient to determine whether the employee is suffering from such an illness. The Board of Education shall not discriminate against any employee for filing an affidavit seeking an exemption from the physical requirement. The District shall maintain all physical examination records and other medical records in a file separate from all other personnel records, and shall treat such records as confidential medical records, in accordance with state and federal laws and regulations.

The Board of Education shall comply with the requirements of Wis. Stat. § 121.52(3)(a) by including in any contract with any owner or lessee of any privately owned motor vehicle transporting pupils for compensation provisions for the contractor to require physical examinations for all school bus drivers, as prescribed by Wis. Stat. § 121.52(3)(a).

Code of Conduct for Employees

Employees are expected to maintain and display a professional, respectful, civil and courteous attitude toward other employees, administrators, students, parents, members of the public and Board members at all times. An employee's oral and written communication shall remain professional, respectful, civil and courteous toward other employees, administrators, students, parents, members of the public and Board members at all times.

The actions of a Parkview employee reflect upon the district and as such are expected to be respectful. Respectful behavior can be described as practicing open and positive communication, maintaining composure even during a difficult situation, maintaining confidentiality related to students, parents and colleagues and behaving in a manner that serves as a positive example for students and coworkers. The description above isn't all encompassing but gives an example of what is required from a Parkview employee.

Obligation to Report Pending Arrests & Convictions

All District employees are required to notify the employee's immediate supervisor as soon as possible, but no more than seventy-two hours after the employee is subject to a pending criminal charge or has pled guilty or no contest or been convicted of any misdemeanor, felony, or involving OWI/DWI/Reckless Driving/Hit & Run. A pending criminal charge will not be grounds for termination. However, a pending criminal charge may be grounds for suspension if the circumstances giving rise to the pending criminal charge substantially relate to the circumstances of the employee's job. The District may consider any conviction and determine whether the circumstances of the conviction substantially relate to the circumstances of the employee's job. Substantially related convictions may result in discipline up to and including termination.

Nothing in this provision prohibits the District from placing an employee on administrative leave or from suspending an employee based on a pending criminal charge or conviction, during an investigation into the circumstances of the matter. Nothing in this provision prohibits the District from conducting its own investigation into whether the employee engaged in the conduct at issue in the pending criminal charge and basing its employment decision on the results of its investigation.

Failure to report as required by this provision may result in disciplinary action, up to and including termination.

Requirement to Remain Current

All certified employees shall engage in independent and active efforts to maintain high standards of individual excellence. Such efforts shall include keeping current in each specific and applicable area of instruction, Board of Education established curriculum, as well as continuing study of the art of pedagogy. In addition to maintaining high standards of excellence for the students and school, the certified employee will make him/herself available during the contractual year and day to his/her colleagues for assistance, to the District for services beyond those specifically required as part of his/her individual contractual duties. If an employee is directed to attend a job related professional development activity or training during the summer months, a stipend will be provided.

Retirement Date

The official retirement date for an employee will be the first day after the last contracted work day as outlined on the current District calendar. In the event that an employee retires before the end of the school year, the official retirement date is the day following the last paid workday. The official retirement date will be provided to the WI Retirement System (WRS), health insurance providers, etc. and any other entities that require notification of end of employment.

SECTION 4: DISCIPLINE, TERMINATION AND NONRENEWAL

Legal Authority

The Board of Education retains the right and responsibility to manage the work force. The District Administrator or his/her designee may issue discipline or recommend discharge to the Board of Education, if necessary, consistent with the requirements of any applicable Board of Education policy as well as State and Federal law. Full-time certified employees in the District are subject to non-renewal on a statutory basis, as prescribed in Section 118.22, Wis. Stats. Certified employees hired as part-time employees, substitute teachers or for temporary assignments are not subject to §118.22, Wis. Stats. Administrators in the district are subject to

non-renewal on a statutory basis, as described in 118.24. Such non-renewals for regular, full-time certified employees and administrators shall be subject to provisions of Section 118.22 & 118.24, Wis. Stats.

Policy 536.1: Non-renewal of Certified Staff Contracts

Policy 536.3: Suspension of Certified Staff Members

Policy 546.2: Suspension or Dismissal of Classified Staff Members

SECTION 5: GRIEVANCE PROCEDURE

This is a summary of the Employee Grievance procedure. The entire Grievance procedure, Board Policy 526, is available from the confidential district secretary.

An employee with a complaint related to employee discipline (except employee termination) or workplace safety should first seek to resolve the issue(s) with his/her immediate supervisor through informal discussion. If the complaint regarding employee discipline or workplace safety concerns the employee's supervisor, the employee may seek to resolve the complaint directly with the District Administrator. If the complaint regarding employee discipline or workplace safety concerns the District Administrator, the employee may seek to resolve the complaint directly with the Board President.

Informal Resolution

Informal resolution of discipline complaints shall be initiated within seven (7) days of the date when an employee has been notified of the discipline. An employee complaint about a workplace safety issue may be raised informally at any time while the safety issue persists.

If the employee fails to initiate the informal resolution process with regard to employee discipline within seven (7) days, the employee waives any further entitlement to utilize the grievance process with respect to the discipline (except employee termination).

Employee termination decisions and contract non-renewal decisions are not subject to the informal resolution process.

Time Limits for Filing a Grievance

If the informal resolution process does not resolve the complaint, and the employee believes that his/her complaint rises to the level of a grievance, the employee may initiate a formal grievance. A grievance involving employee termination or discipline shall be filed in writing no later than twenty-one (21) days after the employee receives notice of the discipline, termination or non-renewal of a contract pursuant to Wis. Stat. §§ 118.22 or 118.24. A grievance involving workplace safety shall be filed in writing no later than twenty-one (21) days after the employee first attempts to resolve his/her workplace safety concerns through the informal resolution process. If no grievance is filed, the decision of the administration shall be considered final. If the grievant fails to comply with the time periods or other procedures outlined in this policy, the grievant waives any further rights of appeal and the grievance will be deemed resolved.

Grievance Steps

Level One

1. The grievant may initiate a formal grievance by obtaining a grievance form from his/her immediate supervisor or designee or from the business manager or business department,

filling out the form, and providing a copy to his/her immediate supervisor and to the District Administrator. On the form, the grievant shall (1) identify the category of grievance (i.e., termination of an employee without a contract with a definite term, discipline, or workplace safety), (2) describe the attempts to resolve the complaint informally (if applicable), (3) identify the facts supporting the grievance, (4) specify the policy, rule, regulation, or law alleged to have been violated, and (5) describe the relief requested. In order to be considered, a grievance shall be filed, in writing, using the appropriate form.

2. The District Administrator or his/her designee shall act on the grievance within seven (7) days of the filing of the grievance. If the District Administrator or his/her designee denies the grievance, he/she shall inform the grievant in writing who shall have seven (7) days to appeal the denial to the Board by filing a letter of appeal with the Board President.

Level Two

1. Within ten (10) days after receipt of a written appeal from a grievant, the Board President shall appoint an Impartial Hearing Officer as authorized by resolution of the school board.
2. The hearing shall be recorded and the grievant shall be given the opportunity to have the hearing conducted in open session, subject to such other legal requirements relating to confidentiality or privacy, which may apply to the subject matter of the hearing, e.g. pupil confidentiality. The Impartial Hearing Officer shall consider whether to engage a court reporter in lieu of recording the hearing.
3. The Impartial Hearing Officer shall issue a written decision no more than thirty (30) days after the hearing is concluded, unless the Impartial Hearing Officer notifies the parties that more time is needed and the reasons therefore. The need for post-hearing briefs, as determined by the Impartial Hearing Officer, shall be sufficient reason to extend the deadline.
4. The Impartial Hearing Officer shall inform the parties that an appeal of his/her decision may be taken to the Board if filed in writing within ten (10) days of the receipt of the written decision of the Impartial Hearing Officer, after which the decision of the Impartial Hearing Officer shall become final.

Level Three

1. If either party is aggrieved by the decision rendered by the Impartial Hearing Officer, either party has the right to file a written appeal with the Board within ten (10) days of receiving the Impartial Hearing Officer's decision, after which the decision of the Impartial Hearing Officer shall become final.
2. Except for grievances involving an employee termination or teacher or administrator contract non-renewal under Wis. Stat. §§ 118.22 or 118.24, the Board may, at its sole discretion, assign an appeal panel of at least three members of the Board, for the purpose of considering appeals under the grievance procedure.
3. The Board or appeal panel may affirm, reverse, or modify the decision of the Impartial Hearing Officer.
4. Procedural errors, which do not have a substantial effect on the rights of the parties, shall not be grounds for reversal of any decision.

5. The decision of the Board or appeal panel shall be final. The Board or appeal panel shall make every effort to send to the grievant and the District Administrator a written statement of its decision within a reasonable time after hearing the appeal.

Retaliation

No reprisals of any kind shall be taken by the Board or by an employee of the District against any party in interest or other employee on account of his/her filing a grievance or participating in a filed grievance.

Request for Reconsideration of School Board Decision

This policy establishes a procedure for employees to grieve certain decisions of school officials. The policy does not grant employees the right to appeal decisions of the Board itself, other than a termination or contract non-renewal decision by the Board. Nonetheless, an employee may file, in writing to the Board President, a request that the Board reconsider one of its own decisions. The request shall be filed within fifteen (15) days of the Board's decision and shall state the reasons why the Board should reconsider its decision. The Board may exercise its discretion whether to grant the requested reconsideration.

Judicial review of a Board or appeal panel decision made at Level Three of this policy, if any, shall be as prescribed by law.

SECTION 6: EMPLOYEE HOURS/WORKDAY

Normal Hours of Work

Certified Employees: Certified Employees are exempt professional employees as defined by the federal Fair Labor Standards Act and the Wisconsin Municipal Employee Relations Act, § 111.70(1)(L), Wis. Stats. As defined in § 118.235, teachers will receive a thirty-minute (30), duty-free lunch hour as close to the time in which their students receive lunch. The actual workday for each building shall be established by the Board of Education. For certified staff, the hours, start and end time, assignment and prep time will be provided to the employee prior to the start of the new school year. Every effort will be made to provide this information prior to the end of the previous school year.

Prep Time

Pre-K-12 teachers will be given a minimum of 225 minutes of prep time per week.

Classified Employees: Classified Employees are paid on an hourly basis. The job assignment, work location and hours of work will be given to employees two weeks before the start of the new school year. Assignments, work location and hours of work may be changed by the District as needed. The District will attempt to give as much notice as possible. Employees may not alter their hours of work without prior approval from the employee's supervisor.

Classified Letter of Intent

A letter of intent will be given to Classified employees as soon as practical to ensure employment for the following school year.

Cooks that work at least 6 hours per day will receive fifteen (15) minute paid break per day. Other classified staff (excluding bus drivers) that work eight consecutive hours per day will receive two, fifteen (15)-minute breaks taken at a time approved by the supervisor. Classified employees (excluding bus drivers) that work four or more consecutive hours are entitled to one, fifteen (15) minute break taken at a time approved by the supervisor. Classified employees that work more than six consecutive hours will receive an unpaid, duty-free thirty minute lunch period.

Overtime Hours

Overtime may not be worked without prior approval from the employee's supervisor. Overtime hours are any hours worked in excess of 40 hours worked in a week for non-exempt employees. Paid or unpaid time off, such as vacation or FMLA leave, does not count as "hours worked" in computing overtime. Approved overtime hours will be paid at a rate consistent with state and federal law. Upon approval from the employee's supervisor, overtime hours can be converted to comp time at time and one-half. The use of comp time must be approved in advance by the supervisor. Comp hours cannot be carried over from one school year to the next. Any unused comp time will be paid out to employees on the first payroll after June 30 of each year. Certain positions may qualify for overtime pay. Classified employees who are directed to work on a Saturday will be paid at time and one-half and if directed to work on non-paid holiday and/or Sunday will be paid double time.

FLSA Safe Harbor Policy

This policy sets forth the District's commitment to ensure that deductions are not improperly made from the salary of employees who are exempt from overtime under the Fair Labor Standards Act (FLSA). Under the FLSA, full day deductions are permitted, for example, for

personal time off or disciplinary suspensions. Full or partial day deductions may be made for FMLA leave. The District will promptly investigate and correct any improper payroll deductions or other payroll practices that do not comply with the Act. If an employee believes there is an improper payroll practice, or there has been an improper deduction from an exempt employee's salary, the employee should report it to the Human Resources Department, which will promptly investigate the matter. The employee will be promptly reimbursed for any improper deduction and no similar deduction will be taken from the affected employee's pay. There will be no retaliation against any employee for reporting his or her concerns with respect to this policy.

Administratively Called Meetings

Certified employees are required to attend all mandatory administratively called staff meetings. The administration shall attempt to provide at least 24 hour's notice, unless an emergency exists, of all such meetings. Certified employees who are required to attend administratively called meetings will receive no additional remuneration, above their regularly paid salaries, for attending such meetings.

Certified employees are also required to attend all meetings of individual educational plan teams, parent-teacher conferences, department meetings or activities of similar nature regardless of the date, time or duration of said meetings. Certified employees who are required to attend such meetings will receive no additional remuneration, above their regularly paid salaries, for attending such meetings. Generally, meetings will be scheduled at least 24 hours in advance, won't be more than an hour in duration and will be scheduled as close to the start or end of the school day as possible. Emergency, time sensitive situations, or complicated issues are examples of when these parameters may need to be modified.

Attendance at School Events

Certified employees are required to attend all mandatory administratively required school events. These events include but are not limited to open house, music program, art show and/or other District or building events that occur after the normal workday. Mandatory events and the date/time of the events will be identified in advance. Certified employees who have a conflict with a co-curricular school sponsored event or have pre-approved classes to attend may be excused at the discretion of the District Administrator and/or his/her designee. Such conflict should be communicated to the applicable administrator as soon as possible before the date of the school event.

Extended Professional Development Requirement

Beginning with the 2015-16 Teacher Contracts, contracts will contain two additional professional development days in August. These days will be scheduled the two work days immediately prior to the August staff work day on the district calendar. The content for the two professional development days will be generated by the teaching staff but must be aligned to the building or district site plans and specifically target a growth area related to current student achievement. The two days may include one topic or area for the full two days, multiple topics spread out over the two days or a combination thereof. Professional development facilitators may come from the Parkview faculty and staff or from outside sources based on our professional development needs and financial considerations.

Certified staff that facilitates professional development would be compensated at the curriculum pay for each hour of professional development provided plus one additional hour of curriculum pay for preparation for each hour presented. (i.e. A four hour presentation would result in four

hours of curriculum pay for presenting plus another four hours of curriculum pay for planning for a total of eight hours of curriculum pay).

All teachers under contract the following school year would be required to attend the Extended Professional Development.

Consulting and Communicating with Parents

Each certified employee shall consult and communicate with parents so that parents recognize the important role they play in shaping the attitudes of their children and assume greater responsibility for the performance of their children and for the excellence of our schools. Such consultation and communication must be positive, constructive, provide solutions, and be supportive. Under no circumstances should consultation and communication be rude, sarcastic, antagonistic, or result in name calling or bullying. Consultation and communication may be in the form of phone contacts, progress reports, in-person appointments, e-mail, etc., in addition to the scheduled parent/teacher conferences.

Emergency School Closures

In the event the District is closed or an individual building(s) is closed, full or partial day closures may be made up at the discretion of the District.

Certified Employees

Certified employees shall not receive additional compensation in the event the District requires such day(s)/time to be made up with or without pupils.

Classified Employees

If school is canceled, a classified employee (except those noted below) will not report to work or be paid for the hours that were missed. Make up hours will not be allowed unless warranted by special circumstances related to the position. In all instances, approval from the supervisor is required in advance. The employee may use a personal day in lieu of being docked if one is available.

If school is closed in an emergency weather situation the business office, district administrator's confidential secretary, custodial and maintenance employees will be expected to report to work. If an employee cannot report to work at the regularly scheduled time due to the weather conditions, he/she must contact his/her supervisor.

School Calendar

The District calendar shall be determined by the Board of Education. The specific structure and number of days (student contact, in-service, workday, vacation, etc.) will be at the discretion of the Board of Education.

Holidays

The following days will be non-paid holidays: "New Year's Day, Good Friday, Memorial Day, July 4th, Labor Day, Thanksgiving Day, Friday following Thanksgiving, Christmas Eve, Christmas Day, and New Year's Eve.

If Christmas Eve or Christmas Day fall on Saturday or Sunday, the following Monday and/or Tuesday will be the non-paid holiday. 5. Absences for the purposes of this incentive will be calculated as the actual number of minutes gone from work.

7. A full day for an hourly employee will be the number of hours assigned to that position on file in the business office.
8. Working overtime or extra hours will not increase the length of an employee's normal work day.
9. The Board reserves the right at its discretion modify, delete or add to the above conditions.

Leave Incentive Upon Retirement:

In this category each such emergency leave will be considered on its own merits by the District Administrator or designee before emergency leave for attendance at funerals of others than those mentioned in #4 above will be granted, limited to one (1) day. In case of an extenuating circumstance the employee may seek an exception to the one (1) day rule from the District Administrator.
6. In other cases, certain situations may develop whereby the employee is late for work or unable to be at work. Examples of this would be an automobile accident in which the employee is involved or one in which he or she is duty bound to assist others involved in an accident, or bad weather that has created a catastrophe for the employee.

4. An employee will be required to use accumulated sick leave days during any period of the leave not covered by Wisconsin FMLA.

Military Leave

Pursuant to federal and state law, the District shall provide eligible employees with leaves of absence for purposes of federal service in the uniformed services or active state service, in compliance with state and federal law. An employee on leave shall notify the District of his/her intent to return to work in a timely manner following his/her period of military service. Failure to notify the employer of his/her intent to return within a reasonable period may subject the employee to disciplinary action up to and including termination for unexcused absence. An employee's reemployment rights and benefits after completion of federal service in the uniformed services or active state service shall be governed by any applicable federal and/or state laws.

Jury Duty

The School District recognizes the civic obligation of employees to perform jury duty. Leave for employees called as witnesses by or on behalf of the District shall be included under this section. If verification is not submitted to the District business office within ten (10) workdays of receiving jury duty or witness pay, the employee's pay will be held until verification has been submitted.

Extenuating circumstances may include illness or health issues or family emergencies that are not covered by or extend beyond the terms of sick leave or FMLA. Generally, leave may be granted for a time not to exceed the remaining part of the semester in which the event occurs, and the following semester. Any FMLA leave an employee may also qualify for based on the

birth or adoption of a child shall run concurrently with leave granted under this policy. Once in a lifetime situations may be considered if the circumstances warrant. These unpaid days would be granted only after all personal time is used and would generally not be approved for more than two or three days.

Hospital and Dental Insurance

Annually, the District will notify employees as to whether they qualify for health and dental insurance as well as the plan design and required employee premium contributions. If District health care is offered, Affordable Care Act (ACA) guidelines will be used to determine which employees are eligible. Current ACA guidelines state that employees who either 1) qualify as full-time under the ACA look-back measurement rule; or 2) are regularly scheduled to work at least 30 hours per week regardless of full-time status under the ACA look-back measurement rules would be eligible for employer-provided coverage.

Life Insurance

Annually, the District will notify employees as to whether they qualify for life insurance as well as the required employee premium contributions.

Health Savings Account (HSA)

A Health Savings Account (HSA) is an account owned by the employee in which the employer deposits an amount determined by the employer into the HSA to be used by the employee to offset medical expenses. The HSA may be used for current or future expenses that are not paid by the health plan.

- Annually, the Board will determine whether to offer to eligible employees an HSA and the amount of employer contribution.
- Annually the Board will notify employees of the amount that will be contributed to the HSA for eligible employees for the upcoming school year.
- The employee may participate in voluntary payroll deduction to deposit additional earnings (up to Federal limits) into the HSA.

When an eligible employee becomes Medicare eligible (65 yrs old) the employee must complete and submit a "Medicare Participation Form" to the District HR Specialist to determine if participation in an HSA can still occur. (Current federal rules prohibit an employer from contributing to an HSA for an employee that receives Medicare. If an employee chooses to participate in Medicare, the District would no longer be able to provide a contribution to the HSA).

Long-Term Disability Insurance

The School District shall adopt the 90% Long Term Disability Plan. All eligible employees will receive LTD paid in full by the District, including waiver of premium. The insurance carrier(s), program(s), and coverages will be selected and determined by the Board of Education.

Early Retirement Benefit for Employees Hired On or Before June 30, 2013

The voluntary early retirement program and payments offered by the District are designed to provide eligible, certified District employees with an opportunity to retire early. The voluntary early retirement program is established by Board Policy 536.4. The Board reserves the right to eliminate or modify this benefit at any time. This program applies only to those certified District employees hired on or before June 30, 2013 who are eligible under the terms of this section and who, by January 31 of the employee's final year of service, notify the District in writing and elect to take the voluntary early retirement option. To be eligible, the certified District employee must have twenty (20) or more full years of professional service with the Parkview School District and must be eligible to retire under the Wisconsin Retirement System. In order to receive the benefits of the program, the certified employee must sign a Resignation, Retirement and Waiver and Release Agreement. A copy of the form of the agreement is available from the District office.

Eligible certified employees who elect to voluntarily retire early will retain no reemployment rights with the District nor any other rights or benefits except those set forth in the Board Policy and except those otherwise provided by law.

1. Annually, the Board of Education will determine whether to offer an early retirement benefit to certified employees hired on or before June 30, 2013 who are at least fifty-five (55) years of age as of August 31 in the employee's final year of district service and who have the equivalent of at least twenty (20) years of full-time teaching service in this District, in the form of a payment into a premium-only HRA for Retirees. Employees who have been off of the District provided health insurance plan for any period of time during the five-year period prior to retirement will not be eligible for any early retirement benefit. The Board may, in its sole discretion, elect to waive this prohibition for an eligible employee who has gone back on District provided health insurance during the five year period if the reason for returning to District provided coverage involves a qualifying event resulting in loss of other coverage due to reasons beyond the employee's control, such as death of a spouse, involuntary loss of employment leading to loss of coverage, divorce, or other special circumstances.
2. If an eligible employee switches from single to family insurance during final years of employment, the HRA retirement benefit would be pro-rated to a family HRA benefit based on the number of months in which the employee was enrolled on Family benefits.
3. If an eligible employee switches from family to single insurance during final 5 years of employment, the HRA retirement benefit would be pro-rated to a single HRA benefit based on the number of months in which the employee was on single benefits.
4. The Board of Education will annually determine the dollar amount of the early retirement benefit for that school year, taking into account factors such as length of service benchmarks, cost of single or family health insurance premiums, and availability of District revenue to fund the benefit. The Board will use the number of years until the retiring employee will reach eligibility for Medicare as a limiting factor in determining the amount of the payment into the HRA for the retiring employee. The District will provide employees with an annual notice at the start of each school year of the dollar amount of the benefit for eligible employees who elect to retire in that school year.

5. The eligible employee must submit the signed Resignation, Retirement and Waiver and Release Agreement to the District Administrator no later than January 31 of the employee's final school year.
6. The District will make the payment into the premium-only HRA on behalf of the retired employee, on either a lump sum basis or periodic basis, at the District's sole discretion.
7. Contributions into the HRA on behalf of eligible, participating employees shall vest 100% upon deposit.
8. The Board reserves the right to eliminate or modify this benefit at any time. To the extent that any provision of this section of the Employee Handbook is inconsistent with the provisions of any plan document establishing or describing the HRA plan, the plan document shall control.

Any eligible employee who elected to receive contributions into an HRA shall not receive a paid health insurance benefit at retirement.
2. The amount of the contribution into the HRA for eligible participating employees shall be set by the Board each year.
3. The Board reserves the right to eliminate or modify this benefit at any time. To the extent that any provision of this HRA Benefit section of the Employee Handbook is inconsistent with the provisions of any plan document establishing or describing the HRA plan, the plan document shall control.
4. Contributions into the HRA on behalf of eligible, participating employees shall vest on the following schedule:

4. Cash payments under the ABP will be made to new employees electing the cash payment as follows: If the new employee's first day of active service is on, or before the 15th of the month, a cash payment will be made for that month. If the new employee's first day of active service is after the 15th of the month, no payment will be made for that month.
5. Current employees who elect to change to the cash payment may only terminate coverage for the health insurance effective the last day of any month, and begin participation in the cash payment effective the first payroll in which the next health and/or dental plan year begins and must enroll during the open enrollment period 30 days prior to the start of the plan year.

COBRA Law Continuation of District Health Plan Participation

The District, pursuant to the Federal Consolidated Omnibus Budget Reconciliation Act (COBRA) and state law, offers employees the opportunity to remain on the District's health and dental insurance plan at the group rate in certain instances where coverage under the plan would otherwise end. Further information regarding continuation of insurance under COBRA is available from the human resources specialist.

SECTION 15: ATHLETIC & ACTIVITY ASSIGNMENTS

Letter of Assignment

Employees shall assume responsibility for the supervision of the extra-curricular activities that are included in their letters of assignment. Such activities shall be governed according to the following guidelines:

1. Activity assignments will be offered to the individual who, in the sole discretion of the District, is the most qualified applicant.
2. The stipend for extra-curricular activities shall be specified in the letter of assignment.
3. The letter of assignment shall not be deemed a contract and individuals holding extra-curricular positions are at-will employees.

Policy 532.2: Certified Staff Compensation

Work Schedule

Extra-curricular assignments may occasionally occur during part of an employee's regular workday in his/her other position(s) with the District (e.g., as a teacher). In such cases, the employee shall consult with the supervisor of his/her regular assignment to determine the appropriate course of action.

Evaluation of Extra-Curricular Assignments

Individuals holding extra-curricular assignments shall be evaluated in the manner and frequency that their supervisor deems appropriate. When determining the manner and frequency of evaluations, the supervisor may take into account such factors as (1) the individual's experience with the particular activity; (2) input received from participants, parents, and other stakeholders; (3) the extent to which an individual needs additional guidance or oversight; and (4) any other consideration that a supervisor, in his/her reasonable discretion, deems appropriate.

Extra Duty Assignments

1. Employees required, or volunteering to chaperone or supervise a school sponsored activity or perform an extra duty outside the regular workday will be paid \$8.00 per hour or minimum wage, whichever is higher. The number of hours per event will be determined by the event supervisor in advance and be approved by the principal or designee. If an event does not last as long as the agreed upon time, the employee will still be paid the agreed number of hours. If the event goes long, employees will be reimbursed by the quarter hour for any extra time.
2. Principals shall make a fair distribution of these duties. If the number of volunteers for these duties is not adequate, teachers may be assigned, on a rotating basis, up to eight (8) extra duties in a school year. Teachers will be assigned to events in their buildings, but may volunteer for an extra-duty assignment in any of the schools.

EMPLOYEE RIGHTS AND RESPONSIBILITIES UNDER THE FAMILY AND MEDICAL LEAVE ACT

Basic Leave Entitlement

FMLA requires covered employers to provide up to 12 weeks of unpaid, job-protected leave to eligible employees for the following reasons:

- for incapacity due to pregnancy, prenatal medical care or child birth;
- to care for the employee's child after birth, or placement for adoption or foster care;
- to care for the employee's spouse, son, daughter or parent, who has a serious health condition; or
- for a serious health condition that makes the employee unable to perform the employee's job.

Military Family Leave Entitlements

Eligible employees whose spouse, son, daughter or parent is on covered active duty or call to covered active duty status may use their 12-week leave entitlement to address certain qualifying exigencies. Qualifying exigencies may include attending certain military events, arranging for alternative childcare, addressing certain financial and legal arrangements, attending certain counseling sessions, and attending post-deployment reintegration briefings.

FMLA also includes a special leave entitlement that permits eligible employees to take up to 26 weeks of leave to care for a covered servicemember during a single 12-month period. A covered servicemember is:

- (1) a current member of the Armed Forces, including a member of the National Guard or Reserves, who is undergoing medical treatment, recuperation or therapy, is otherwise in outpatient status, or is otherwise on the temporary disability retired list, for a serious injury or illness*;
- or (2) a veteran who was discharged or released under conditions other than dishonorable at any time during the five-year period prior to the first date the eligible employee takes FMLA leave to care for the covered veteran, and who is undergoing medical treatment, recuperation, or therapy for a serious injury or illness.*

***The FMLA definitions of "serious injury or illness" for current servicemembers and veterans are distinct from the FMLA definition of "serious health condition".**

Benefits and Protections

During FMLA leave, the employer must maintain the employee's health coverage under any "group health plan" on the same terms as if the employee had continued to work. Upon return from FMLA leave, most employees must be restored to their original or equivalent positions with equivalent pay, benefits, and other employment terms.

Use of FMLA leave cannot result in the loss of any employment benefit that accrued prior to the start of an employee's leave.

Eligibility Requirements

Employees are eligible if they have worked for a covered employer for at least 12 months, have 1,250 hours of service in the previous 12 months*, and if at least 50 employees are employed by the employer within 75 miles.

***Special hours of service eligibility requirements apply to airline flight crew employees.**

Definition of Serious Health Condition

A serious health condition is an illness, injury, impairment, or physical or mental condition that involves either an overnight stay in a medical care facility, or continuing treatment by a health care provider for a condition that either prevents the employee from performing the functions of the employee's job, or prevents the qualified family member from participating in school or other daily activities.

Subject to certain conditions, the continuing treatment requirement may be met by a period of incapacity of more than 3 consecutive calendar days combined with at least two visits to a health care provider or one visit and

a regimen of continuing treatment, or incapacity due to pregnancy, or incapacity due to a chronic condition. Other conditions may meet the definition of continuing treatment.

Use of Leave

An employee does not need to use this leave entitlement in one block. Leave can be taken intermittently or on a reduced leave schedule when medically necessary. Employees must make reasonable efforts to schedule leave for planned medical treatment so as not to unduly disrupt the employer's operations. Leave due to qualifying exigencies may also be taken on an intermittent basis.

Substitution of Paid Leave for Unpaid Leave

Employees may choose or employers may require use of accrued paid leave while taking FMLA leave. In order to use paid leave for FMLA leave, employees must comply with the employer's normal paid leave policies.

Employee Responsibilities

Employees must provide 30 days advance notice of the need to take FMLA leave when the need is foreseeable. When 30 days notice is not possible, the employee must provide notice as soon as practicable and generally must comply with an employer's normal call-in procedures.

Employees must provide sufficient information for the employer to determine if the leave may qualify for FMLA protection and the anticipated timing and duration of the leave. Sufficient information may include that the employee is unable to perform job functions, the family member is unable to perform daily activities, the need for hospitalization or continuing treatment by a health care provider, or circumstances supporting the need for military family leave. Employees also must inform the employer if the requested leave is for a reason for which FMLA leave was previously taken or certified. Employees also may be required to provide a certification and periodic recertification supporting the need for leave.

Employer Responsibilities

Covered employers must inform employees requesting leave whether they are eligible under FMLA. If they are, the notice must specify any additional information required as well as the employees' rights and responsibilities. If they are not eligible, the employer must provide a reason for the ineligibility.

Covered employers must inform employees if leave will be designated as FMLA-protected and the amount of leave counted against the employee's leave entitlement. If the employer determines that the leave is not FMLA-protected, the employer must notify the employee.

Unlawful Acts by Employers

FMLA makes it unlawful for any employer to:

- interfere with, restrain, or deny the exercise of any right provided under FMLA; and
- discharge or discriminate against any person for opposing any practice made unlawful by FMLA or for involvement in any proceeding under or relating to FMLA.

Enforcement

An employee may file a complaint with the U.S. Department of Labor or may bring a private lawsuit against an employer.

FMLA does not affect any Federal or State law prohibiting discrimination, or supersede any State or local law or collective bargaining agreement which provides greater family or medical leave rights.

FMLA section 109 (29 U.S.C. § 2619) requires FMLA covered employers to post the text of this notice. Regulation 29 C.F.R. § 825.300(a) may require additional disclosures.

WHD Publication 1420 - Revised February 2013

WISCONSIN FAMILY AND MEDICAL LEAVE ACT

Section 103.10, Wisconsin Statutes, requires that all employers with 50 or more employees display a copy of this poster in the workplace. Employers with 25 or more employees are required to post their particular leave policy.

Under state law all employers with 50 or more permanent employees must allow employees of either sex:

- ▶ Up to six (6) weeks leave in a calendar year for the birth or adoption of the employee's child, providing the leave begins within sixteen (16) weeks of the birth or placement of that child.
- ▶ Up to two (2) weeks of leave in a calendar year for the care of a child, spouse, domestic partner, as defined in § 40.02(21c) or 770.01(1) or parent or a parent of a domestic partner with a serious health condition.
- ▶ Up to two (2) weeks leave in a calendar year for the employee's own serious health condition.

This law only applies to an employee who has worked for the employer more than 52 consecutive weeks and for at least 1000 hours during that 52-week period. The law also requires that employees be allowed to substitute paid or unpaid leave provided by the employer for Wisconsin Family and Medical Leave. Employers may have leave policies, which are more generous than leaves required by the law.

A complaint concerning a denial of rights under this law must be filed within 30 days after the violation occurs or the employee should have reasonably known that the violation occurred, whichever is later.
