4. Students who work at fundraisers will bank/receive 5%, of the final profit, back toward his/her costs (i.e. shoes, undergarments, make-up). Is 5% too much? So, for example, at the June Days Fundraiser, we profited \$130.00. Five students worked the stand, each at 5%, will bank \$6.50 towards their individual costs.
5. Students will need to sign in at each fundraiser to show proof that they attended and worked at that fundraiser.
6. Friends of Pizazz...
~Do we need to increase the amount for Gold level to \$300.00?
~Should we keep the 'perks' as is, or make any changes?
~How soon should we get the 'Friend of Pizazz' letter out to each student?
~Should each student be requested/required to find a 'Friend'?
~Would we give them 5%, of the amount they earn, back toward their costs?
7. Student Trip during Spring Break?
~Parent approached me with this question since the group did not go anywhere last year.
~If so, where?
