Ask for a meeting with school staff to talk about concerns

Community Counselor or Service

Physician

Children do best when families, providers, and schools work together as a team. Parents may want to consider signing release of information forms to make sure that all current providers are aware of the concerns and referral.

Accessing Mental Health Services in the Community

Use this booklet if you have a concern about: your child's mental health or the social, emotional, or behavioral

Focusing on high academic excellence, Parkview School District will provide a safe environment, within quality facilities, where students reach their full potential and become productive citizens.

I need help for my child right now.

Has our child harmed or threatened to harm themselves or others? Is this a life-threatening emergency? Are you immediately concerned for you or your child's safety?

I answered **YES** to at least one of the questions above and/or my child appears to be experiencing a mental health crisis.

I answered **NO** to all the questions above and my child does not appear to be experiencing a mental health crisis. Go to next page.

Contact

Police

**Medical
Emergency:**
Call 911 Or go to
Emergency Room

If child already has a
counselor, follow
established crisis plan
and/or contact
counselor

**When in Doubt . . .
Contact 24/7 Crisis!!!!**

Rock County Crisis Intervention: (608)-757-5025

I am concerned about my child's mental health, but it is not an emergency.

If the child already has a counselor, contact the counselor.

If the child has a physician, contact the physician. The physician may be able to assist the referral.

Do you have insurance or medical assistance?

YES

Call the number on the back of your insurance card to check mental health benefits and providers

NO

Check to see if your employer has an EAP (Employee Assistance Program). If so, contact the EAP.

To learn about Medical Assistance contact:
