

FULL-TIME STUDENTS

The Parkview Board of Education hereby defines full-time students as follows:

Elementary

Students must be scheduled for the full school day including four year old kindergarten. A full day of school is defined as Board approved classes and activities.

Junior High

Students must be enrolled in classes or participating in Board-approved activities during each class period of each semester to be considered a full-time student

High School

High school students must be enrolled in credit bearing classes or participating in Board-approved activities during each class period of each semester to be considered a full-time student.

Students With Disabilities

Students with disabilities may be enrolled in less than a minimum program if required by the Individual Education Plan (IEP) or 504 plan.

Students Participating in any Board Authorized Programs

Students enrolled in alternative educational programs, or who participate in other program or receive curriculum modifications approved by school officials are considered full-time students.

Open Enrolled & Tuition Waiver Students

Resident students attending public school in another school district under the full-time public school open enrollment law or a tuition waiver in accordance with state law are also considered a full-time student under this policy. Students attending another district through open enrollment, tuition-waiver or voucher are considered full-time for budgetary purposes only and not for extra-curricular or athletic purposes.
