

STAFF DRESS AND GROOMING

The Parkview School Board believes that staff members set an example in dress and grooming for their students to follow.

The Board authorizes the development of standards for staff dress and grooming that promote a professional educational atmosphere that gives consideration to the impact on the educational process and the diversity of the District's staff.

When assigned to District duty, all staff members shall:

- A. be physically clean, neat;
- B. dress in a manner consistent with their professional responsibilities;
- C. dress in a manner that communicates to students a pride in personal appearance.
