

NEWS MEDIA RELATIONS

The Board recognizes that freedom of the press rests on the public's right to know about its institutions, including school systems. Unless prohibited or governed by local, state or federal regulations, the Board encourages the news media to gather and release information about the schools and encourages District personnel to avail themselves of services extended by the news media.

Upon request, news media shall receive notification of all Board meetings. Information used within regular or special Board meetings shall also be available to the news media upon request.

All press releases pertaining to particular schools in the District shall be cleared through the District Administrator or building principal.
