

This year the Carol Aulabaugh Fund, a component of the Community Foundation of Southern Wisconsin, has generously donated over \$12,000 to the Parkview School District in the form of classroom grants. These grants were for a wide variety of items such as flexible seating for the elementary school library, digital cameras for the Junior/Senior High School Art Department, a digital keyboard for the elementary music department and a 3D Printer for the Junior/Senior High School Technology Department.

These are just some of the grant requests that were funded because of the extreme generosity of Norm and Carol Aulabaugh. On Monday, November 6, the building administration and Carol Aulabaugh were able to go into the classrooms and provide each of the staff member's with the great news that their funding request had been granted. It was so much fun seeing the expressions of both the teachers and their students when the awards were being given out.

It was a great day filled with excitement.

# CAROL AULABAUGH EXCELLENCE IN EDUCATION
