Each of the focus groups will be asked the following questions:

- 1) What are the strengths of the Parkview School District that the next superintendent can build upon?
- 2) What are the challenges facing the Parkview School District that the next superintendent should be aware of, or you would like to have addressed?
- 3) What characteristics or traits are you looking for in your new superintendent?
- 4) Is there anything else you would like to share with us regarding the Parkview School District?
- 5) HYA will be recruiting potential superintendent candidates for this position. Is there anyone that you can think of that might be a good fit as your new superintendent that we should contact? If so, please share or email us his/her name and contact information.

If you cannot make any of the in-person or virtual focus groups and would still like to provide your input, please feel free to email the answers to the above questions to Mike Richie at mikerichie@hyasearch.com. You can also keep informed about the superintendent search by
