This award is for students (with average to above average grades) pursuing a career in a first responder field (Law Enforcement, Fire, EMS) OR those with family members who actively serve or have served in the public safety field. In a separate document, please answer the following questions for scholarship consideration.

1. In 1-2 pages, please write an essay to tell us who you are, detailing your background, qualifications, and why you should be considered for this award. Be sure to explain if there is any financial need or how this award would benefit you economically.

2. List and explain honors or awards you've received for academic or athletic achievement. In addition, list any school, church or community service you've actively participated in including number of years and any offices or extra responsibilities held. If applicable, list any work experiences as well. In lieu of this, you may choose to submit a resume.

3. Explain any previous positive or negative law enforcement contacts you've had. Be sure to include info or background on any family members who actively serve or have served in the public safety field.

All submissions should be submitted electronically to rockdssa@gmail.com by March 7th.
