1.0 MEETING CALLED TO ORDER – 6:00 p.m.

2.0 REVIEW IDEAS FOR ADDRESSING FACILITY NEEDS

Larry showed us revisions made from our last meeting with the added classrooms to options 2, 3 and 5. He also brought revised prices for each option. The committee felt option 2 was too much like the last failed referendum and took that option off the table; leaving us with two options left which are 3 and 5. After some lengthy conversation the committee is leaning towards option 5 as their final option. But before we have more members join the committee we need to have pros and cons for each option and possible cost involved with them.

3.0 STRATEGY/IDEAS FOR EFFECTIVE COMMUNICATION WITH CONSTITUENTS

The committee agreed that we will have one more meeting before we bring in the people we have on the list to make up the yes committee. We will then go over the two final options and explain why we choose to go with the option we decided on.

4.0 TIMELINE

If we are going to referendum on April 1, 2014; we need to take it to the board for approval by Jan 17, 2014.

5.0 OTHER ITEMS - None
