- 2.0 **LONG-RANGE FACILITY PLANNING**
  - 2.1 **Review Work from August 21, 2012 meeting**  
We quickly reviewed the work we did at the Aug. meeting; going over each groups 5 wishes for the district. Some of which included; getting positives out to the public, making sure we address the real needs of the district, working towards a consolidated district and becoming a UNITED community.
  - 2.2 **School Finance 101 Presentation**  
Ben Irwin gave a presentation on how the State funds public education. He went over the different funds available to schools and how they are used. He also went over how the tax rates are done and how it impacts the taxpayer. He showed tax rates from neighboring districts. Ben then answered questions from committee members.
  - 2.3 **Collecting Feedback for the Community**  
The committee had a very good debate on how we should collect feedback from the community. Some members felt we should do a survey of some type. Others felt that we should do a questionnaire, at the polling places, on Election Day. In all of the conversations that we had; the one point that was stressed was the need to find out what the taxpayers would or could support. It also was discussed that no matter what we decide on, we should have 3 or 4 options for the community to pick from as to what they could support. We agreed that doing nothing was not an option.
  - 2.4 **Continue Development of Long Range Facility Action Plan**  
The committee felt that until we have a clear direction in which to go we could not develop a action plan at this time.
- 3.0 **OTHER ITEMS** - No other items were discussed.
- 4.0 **ADJOURNMENT** – The meeting adjourned at 7:46 p.m.
