Mrs. Cormican expressed a concern about a lot of classified staff worried about their hours being reduced to 28 per week. Mr. Lutzke stated that administration is working on a schedule that will work for the District and still avoid penalties from the Federal government. Mrs. Cormican also asked about the progress of pay for administration and Mr. Lutzke stated that the Board has final determination on that and administration usually presents them with something equal to what the teachers get.

Mr. Lutzke stated that if the budget news did not get any worse than the current situation he was going to recommend to the Board a minimum of .05 cents per hour supplemental pay increase per employee in addition to the .25 cent per hour offer presented in negotiations at the August board meeting.
