11.0 DISTRICT ADMINISTRATORS' REPORT

11.01 Discuss/Action Regarding Proposal for Restructuring the Administrative Team

Mr. Lutzke notified the Board that Mark Miller has submitted his resignation. He thanked him for his services and wished him the best in his new position.

As a result of Mr. Miller's resignation, Mr. Lutzke presented options to restructure the Administrative Team including: hire an interim Elementary Principal, interim Director of Technology and Registrar/Student Data Specialist. Mr. Lutzke recommended Jon Lyon for the interim Elementary Principal, David Zrout for the, interim Director of Technology and Gayle Holcomb for the registrar/student data specialist. Hiring Mr. Lyon would require a long-term substitute teacher (additional cost \$8,541), the Director of Technology position would receive a \$2,772 pay increase for additional duties thru June 30, 2012 and the Registrar/Student Data Specialist would be reassigned from an 11 month to a 12 month position. As a result, the Specialist would receive 120 hours of vacation that could be used at any time during the year versus 110 hours of vacation and being off work in the month of July. The junior high receptionist/secretary duties would be removed from the job description and all of these duties would revert back to the high school office.

Motion by Clay Hammes, second by Terry Gerber to approve Jon Lyon as interim Elementary Principal. Discussion - Mr. Knudson questioned the need to post the position and felt we should look at all qualified candidates from within the district. Motion failed 2-4 (Nay-Bell, Brockwell, Jones and Knutson).
