

## VOTING

All motions shall be acted upon by voice vote unless a roll call vote is requested by a current board member. On roll call votes, the Board president shall vote last.

The clerk will maintain records in a manner that allows the vote of each member to be ascertained. The clerk will note that all present voted in favor, or if nay, put in parenthesis who voted that way. The clerk must also note who is present, comes late, or leaves early.

Unless the statutes specifically provide otherwise, secret ballot votes may be taken only to elect Board officers.
