

BOARD - ADMINISTRATOR RELATIONS

The Board of Education believes that setting district policy is one of its most important functions, and it is the responsibility of the District Administrator to implement these policies. The District Administrator is the chief executive of the Board and will be responsible for the professional leadership and skill necessary to translate the will of the Board into administrative action.

The District Administrator will be responsible for all aspects of school operation and for such duties and powers pertaining there to as the Board may direct or delegate. The District Administrator may delegate responsibility and the authority necessary to discharge it to other officials, and he/she will develop such procedures and regulations as he/she considers necessary to ensure efficient operation of the schools.

The Board assumes that the District Administrator is professionally able and possesses outstanding qualities of leadership, vision, and administrative skill and that the District Administrator will implement all policies of the Board in good faith.

The District Administrator can assume that the Board will respect his/her professional competence and extend to him/her full responsibility for implementation of Board policy decisions. In order that the District Administrator may provide effective leadership, the Board will delegate to the District Administrator those powers which may be legally delegated and which it considers advisable to delegate. The Board will then hold the District Administrator responsible for results.
