

INDEPENDENT STUDY PROGRAM

An independent study program shall be available to secondary students in the Parkview School District. The program shall be designed to allow students to pursue other courses of study above and beyond what is normally provided for during the school day.

Independent study projects shall be monitored and advised by a certified teacher as determined by the building principal. Independent study classes will be approved at the discretion of the high school principal.

Costs associated with independent study, that will be the responsibility of the student, will be spelled out in the course description book.
