

PROFESSIONAL STAFF COMPENSATION

Professional educators shall be compensated in accordance with provisions of any applicable agreement with the PSEA. Professional educators may receive additional compensation as approved by the Board.

With prior authorization from the Board president and Board vice-president, the District Administrator may negotiate concerning additional compensation (over any base wage increases agreed to by the Board and the PSEA) with current educators not to exceed \$5,000 in consideration of hard to fill positions and certifications. Any agreement reached as a result of such negotiations is contingent upon final approval by the Board.
