

FISCAL MANAGEMENT GOALS

The Board recognizes that money and money management comprise the foundational support of the entire school program. To make that support as effective as possible, the Board intends:

1. To Adhere to all state and federal laws and regulations;
2. To encourage advance planning through the best possible budget procedures;
3. To explore all practical sources of dollar income;
4. To guide the expenditure of funds so as to extract the greatest educational returns;
5. To expect top quality accounting and reporting procedures; and
6. To maintain the level of expenditure needed to provide high quality education within the ability of the community to pay.
