

FIRE DRILLS

Fire drills shall be conducted at least once each month throughout the school year. Evacuation routes are shown on classroom walls and in emergency packets. A record of the dates and times of all evacuation drills will be recorded. It is of utmost importance that fire drills be carefully organized and properly supervised to assure effective and efficient operation.

The district administrator, or designee, shall annually file a report of all district fire drills with the Department of Industry, Labor and Human Relations and the chief of the local fire department.
