Anyone volunteering to work two shifts will receive free admission.

January 20 Referendum Request Will Ask the Board to Approve a Resolution for a No-Tax Increase, \$3 million, 3-year Operational Referendum on the April 7 Ballot

By Steve Lutzke, District Administrator

The Parkview Administration will present a resolution for a \$3 million 3-year operational referendum at the January 20, 2020 Board meeting that if approved by voters is projected to hold the school district portion of the property taxes at their current level. The reason for recommending the operational referendum is based on projected budget deficits in excess of \$1,000,000 for 2020-21, 2021-22 and 2022-23.

The current operational referendum drops expires at the end of the 2019-20 school year and as a result, if a new referendum is not passed, the District portion of property taxes will go down. A new \$3 million referendum will not increase the school district portion of the tax bill because of the current referendum falling off and a decrease in the tax rate.

Because there are many unknown budget variables controlled by the State government, it is not possible to guarantee that the school portion of the tax bill will not increase in future years, but district projections show that a \$3 million 3-year referendum will not increase the average taxes a resident will pay. It is anticipated that any changes the State may impose over the next few years will only minimally impact the amount of tax attributed to the proposed \$3 million 3-year operational referendum.

All Parkview residents are encouraged to attend one or more of the informational meetings to provide feedback regarding important budget decisions that need to be made by the Board regarding the 2020-2023 budget. The meeting times and locations are listed below.

5:30 p.m.	January 6	Parkview Elementary School	PES LMC
8:30 a.m.	January 7	Parkview Elementary School	District Office
10:30 a.m.	January 11(Saturday)	Parkview Elementary School	PES LMC

It is important for the Board and administration to hear from as many residents as possible. Please mark your calendar to attend one of these meetings.

If you are unable to fit one of these dates into your schedule, please contact Superintendent Steve Lutzke at slutzke@email.parkview.k12.wi.us or 879-2456 to arrange another time to meet.

Parkview Exceeds Expectations on the 2018-19 District Report Card

By Steve Lutzke, District Administrator

Parkview School District's 2018-19 WI Department of Public Instruction report card score of 79.3 out of 100 (4 out of 5 stars) was the highest district score for any district in Rock or Green County. If you are interested in reviewing Parkview's report card in detail or that of another district, please go to the following site <https://apps2.dpi.wi.gov/reportcards/home>.

Specifically, the Parkview School District earned four (4) stars out of five (5) on the state report card from the Wisconsin Department of Public Instruction, issued for the 2018-19 school year. Based on the star rating, Parkview School District exceeds expectations for educating students. Report cards are issued based on four priority areas: student achievement in English language arts and mathematics, student growth, closing gaps between student populations, and measures of readiness for graduation and post-secondary success.

Each school in the Parkview School District also received an individual state report card score. Parkview Elementary earned four (4) stars out of five (5). Parkview Senior High also earned four (4) stars out of five (5) on state report card from the Wisconsin Department of Public Instruction. Based on the star rating, PES and Parkview SR High exceed expectations for educating students. Parkview Junior High earned three (3) stars out of five (5), missing the exceeds expectations category by .3 points. Based on the star rating, Parkview JR High meets expectations for educating students.

Parkview administers several internal assessments throughout the year to monitor student achievement and target instruction to identified growth areas. The teachers and administration in each school have analyzed the results provided in the report cards and are using the information along with the results from internal assessments to continue advancing the achievement level for all students. The results from the internal assessments are consistent with the results shown on the state report cards.

It is the goal of the District to move each school and the district to the 5-star level for 2019-20.

Parkview Athletic Hall of Fame Induction will be February 7

The 2019-2020 Parkview Athletic Hall of Fame inductees have been announced. They are: Leon Klusmeyer - Class of 1983; Sara Freitag (Hartin) - Class of 1992 and Nikki Burrell - Distinguished Service. Parkview Youth Center Update

By Tina Gerber

Happy New Year from the Parkview Youth Center! We're so happy that the youth center can continue its services to the youth of the Parkview School District in 2020.

December flew by for us as we were busy making wooden ornaments to take home, ornaments to decorate the center's Christmas tree, and beautiful stocking ornaments for the residents of the Next Inning. Thank you to everyone who baked or bought baked goods from our Christmas bake sale. Your support is generous and appreciated! That being said, we want to say a special thank you to those of you who have donated snacks, money, and your time volunteering. We truly couldn't do this without you!

We have an average of fifteen teens who attend the center on a weekly basis. They enjoy their time at the youth center and are always up for new activities. If you are interested in volunteering or have a talent to share with the youth, please contact Teena Gerber at 608-295-3345 or tgerber5@hotmail.com.

Just a reminder, the Parkview Youth Center is open Thursdays; 3-6 p.m. at Orfordville Lutheran Church for students of the Parkview School District in grades 7-12. We are open when school is in regular session. The center is for fun, food, and friendship!

Student of the Month

December

This month's students were nominated by members of the social studies department.

7th Grade: *Isabella (Bella) Kovac*

Bella is a very polite, respectful, and conscientious student. She comes to school prepared to learn and puts forth her best effort daily. Bella knows the importance of completing work on time, asking questions, and studying for tests and quizzes. She is an excellent role model for her peers.

8th Grade: *Gehrig Grenawalt*

Gehrig is an excellent example of what good character looks like. He is kind, helpful, polite, trustworthy, and demonstrates integrity. Students look up to Gehrig for all the right reasons. Gehrig is also dedicated to his education and athletics. Keep up the great work, Gehrig!

9th Grade: *Kayla Revels*

Kayla is a young lady with many beautiful character traits. She is conscientious about her work and responsibilities, kind, cares about others, a positive role model, encourages others to do their best, and involved in many school activities. She continues to enjoy choir, show choir, school musicals, and spirit squad. She is involved in her community: helps out in the after school program with the younger kids, her brother's sports teams, and babysitting. She is adventurous and ready for new journeys. She likes 4 wheeling, tubing, and hiking.

10th Grade: *Jenna Olin*

Jenna is a pleasure to have in class. She is insightful, thoughtful, and respectful. Jenna comes to class every day with a smile on her face and a desire to learn. She is always on time and prepared, always ready to share and contribute to class discussions. She is dedicated to being the best version of herself, and puts a great amount of effort into everything she does. Jenna's classwork is always of the highest quality and exceeds expectations. She is supportive and collaborative with her peers which makes her a great role model in class.

11th grade: *Maicey Johnson*

Mr. Wedig chose Maicey Johnson for student of the month. He said, "I have Maicey in Psychology class and she is a hard working student and a very good leader in the class. Maicey leads by example and is very active in discussions and participation in class. She is a very bright young lady that is a joy to have in class."

12th Grade: *Remington Stark*

Remington's actions in and out of the classroom have proved her worthy of Student of the Month. She strives for perfection in each class carrying a 4.0 for the semester thus far. Her work goes above and beyond what is asked within any given assignment. As for her character in the classroom, Remington proves that respect goes a long way with her teachers and peers. Always polite and cheerful, she exudes the qualities of a strong academic and future leader. Congratulations on Student of the Month Remington!

Chromebook Use at Parkview JR/SR High School

By Ann Buehl, District Library Media Director

The Chromebooks have been a great educational device for our students. They are using them for their school work and for research. The built-in keyboard has been great in helping them complete their assignments and reports; however, we are asking for help from our Parkview Viking families as students continue to navigate their new Chromebooks. The Chromebooks are not made as gaming devices and some students are using them for such. The result is that the keyboards, because they are not built for that type of activity, are becoming damaged. It would be helpful if you could please reinforce this with your students. Thank you so much for all that you do to partner with us.

New Student Group

Parkview Jr/Sr High School is starting a new group! The group is referred to nationally as a Gay-Straight Alliance (GSA). This is a LGBTQ+ advocacy group. Any student at the Jr/Sr High is welcome to join (including allies). This will be a student lead group that focuses on supporting, informing, and advocating for our LGBTQ+ community. The goal is to ensure every member of our school community is valued and respected regardless of sexual orientation, gender identity, or gender expression. The first meeting will be January 13th, 2020 from 3:15pm-4:00pm in Ms. Best's room (228 - Science Hall). If you can't make this meeting, check in with Ms. Best or Ms. Wilson and they will keep you informed.

Hidden in Plain Sight

Hidden in Plain Sight is a program to help parents of teens and other adults that work with young people to recognize unfamiliar hazards of substance abuse that are often in plain sight. With more than thirty items included in this interactive exhibit, Youth2Youth 4 Change has simulated a teenager's bedroom to explain areas of concern.

This is an adults only demonstration.

Hidden in Plain Sight is coming to Parkview on January 21 from 5 – 7:30 p.m.

Support Parkview Clay Schwackers

There will be a euchre and bags tournament on Saturday, January 11 at the American Legion in Orfordville to support the Parkview Clay Schwackers trap shooting team. Registration is limited to the first forty paid and entered for the euchre tournament and for the first sixteen teams for the bags tournament. Registration begins at 4 p.m. the day of the event with games beginning at 5 p.m. Cost is \$20 per person. You may pre-register by stopping at the Legion on Fridays or Saturdays during their open hours or by calling Brad at 608-921-0644.

Parkview Tech Integrators Present...

Parent Tech Tips

"Connecting Without Technology"

By Nikki Lutzke, Parkview Tech Integrator

One of my new favorite traditions at my mother-in-law's house involves a basket at the door. Her house rule is simple: leave the cell phones in the basket and build relationships the old fashioned way, "Talk to each other".

Let's face it. We've all seen families in public, eating a meal together but focused intently on their phones. Together...yet independent of one another.

Maybe this family is yours.

If your New Year's Resolution is to reconnect and recharge your relationships without the technology, here are a few ideas for families in 2020...

- Establish "tech free" times/zones. For instance, when the family is gathered for dinner, devices need to be put away.
- Monitor your child's screen time. Talk together about what is a "fair" amount of screen time outside of school. Set goals. Don't be afraid to use your parental controls to monitor this and turn off devices.
- If screen time is going to happen, encourage that technology is to be used to bring family members together. A video game between siblings...listening to music together or watching a movie or show together would all be a great use of technology to connect...not isolate.
- Notice patterns in your child's technology usage. Most of us reach for our phones when we are bored. Insist that your child carve out spending time with friends or getting out to do something (organized team activities or outdoor play) versus searching for something to do on their devices. Plan a family game night or playdates to avoid falling into the "I'm bored" trap.
- Avoid handing young children your devices to soothe them or appease them. Opt for "classic" options like small toys and books, crayons and paper, or verbal games (I Spy).
- Consider what you feel you must post on social media and when you are willing to let "casual relationships" interfere with your family's time. Set parameters for your children and yourself. Does everybody need to see the meal you cooked for your family? How important is it that friends or friends see your child's reaction to their first bite of lemon? Be a guardian of your family's time and privacy.

Changes like these take time, planning, and effort. Ultimately, you, the parent, are key to making changes in your family's technology usage. Model how you want your children to use technology.

If all else fails, there's always the basket!

Lastat Hanson placed 7th with 1 pin. Lastat placed 85th for most total match points and tied for 91st for most single match points. Great Job everyone!

On December 14, 2019, the Parkview Youth Wrestling Club took two wrestlers, Sam Schwengels and Wesley Egan, to the Yellow-jacket Nationals 2019 Midwest Tour in the first of the series to win the belt. To accomplish this, youth wrestlers must place 1st - 4th at 3 of the 4 national tournaments in the Midwest Tour. 180 teams and 592 youth wrestlers from all over the country competed. Sam and Wesley are both on their way to earning that belt by placing 4th. Great job gentlemen!

On December 15, 2019, the Parkview Youth Wrestling Club took 28 wrestlers to the Fort Atkinson Wrestling Club Holiday Challenge. 48 teams and 280 wrestlers completed. Out of those 48 teams, Parkview placed 3rd for most total match points, 2nd for most tech falls/least time, and 6th for most pins/least time. Parkview Youth Wrestling club had many wrestlers make the top 100 lists. For most pins/least time, Levi Nath placed 40th, Nolan Rebman placed 46th, Waylon Robinson placed 76th, and George Perkins placed 89th. For most tech falls/least time, Brenson Lewis placed 5th and Emerson Schmidt placed 11th. For fastest fall, Nolan Rebman placed 11th with a 15 second pin, Levi Nath and Waylon Robinson tied for 25th place, and George Perkins placed 51st. For fastest tech fall, Brenson

Wrestling Updates from Coach Steinmann

Week 1 (Dec. 1—7)

On Monday we started the year out with an impressive dual win at home over the Du-Pec Bulldogs with a 60-24 victory for the Vikings. Having only 10 practices in, we knew that the guys would be a little rusty and this would be a great dual to help get them ready for Saturday's tournament. We wrestled 7 matches with wins by pin from Matthew Mendez #126, Jameson Terry #160, Luke Schwengels #195, and D.J. Sickels #285. Receiving forfeits from Evan Suer #106, Camron Duncan #113, Ian Suer #120, Lucas Vonderhaar #132, Vinny Machado #145, and Wyatt Egan #182. Wrestling hard but were not able to win Grant McMahon #138, Tom Kuffner #152 and Gage Everson #220. We forfeited the #170 weight class.

December 7 we divided the team up to get quality matches for everyone. We sent twelve to the Blackhawk Invitational (Varsity) and six to the Bigfoot Invitational (JV).

It was an exciting day for all at Blackhawk battling our way to the top one match at a time, we were able to finish in 3rd place out of 10 schools missing 2nd place by just 2 points and taking home this group of kids first team trophy ever.

Not only was this our first tournament of the year, this was also the first time for several of our wrestlers to step onto a mat at the Varsity level and they certainly did not disappoint.

We were looking for some good solid matches to knock the rust off the guys. The team stepped up and came through with some impressive wins. Having three freshmen on the squad and knowing the big change from youth to high school with the leadership from the upperclassmen did help them with each one coming home with a varsity medal!

Junior Korben Brown at 152 was able to pick up from last year's success and come home with a championship medal! 4-0 on the day with a first round bye he made quick work as he wrestled three matches and spent less than 3 minutes on the mat receiving pins in each one.

Sophomore Camron Duncan at 113 had a full day of wrestling went 4-1 with a five man round robin. He wrestled some good matches and was able to improve his placement from last year with a 2nd place finish!

Freshman Evan Suer and Senior D.J. Sickels also had a full day with each having a five man round robin, both going 3-2 on the day. Evan at 106 worked hard and came away with some good wins to start the year. He recorded the quickest pin of the day and of the year at 8 seconds! D.J. was very aggressive coming out with great pins and both of them placed 3rd.

Juniors Matthew Mendez at 126, Lucas Vonderhaar at 132 and Gage Everson at 220 all went 2-2 on the day in the 16 man bracket. With strong wins in the second round insuring them a top four finish. Matthew and Lucas both coming back from injuries last year and Gage dropping down to 220 it was going to be a challenge, which they accepted!! They finished in 4th place.

Two more of the freshmen stepping up to the Varsity level and seeing action for the first time Ian Suer at 120 and Wyatt Egan at 170. Both in a 16 man bracket and not having records from last year they were put in and ended up on the top half of the bracket and having to wrestle the top seed in the second round. Even though they lost that they stayed on track and were not fazed and wrestled back to a 5th place finish. Ian was 3-1 and Wyatt was 4-1 on the day.

Junior Luke Schwengels at 182 coming in hoping to keep building from last year was able to pick up some good wins but ran into a couple tough matches that did not go his way. He finished the day in 6th place and was 3-2 on the day.

Sophomore Jameson Terry at 160 was also coming into the day with an injury and knowing he would have to work through the pain, he was able to get good matches in and finished the day in 7th place and was 2-2 on the day.

Junior T.J. Pulaski at 195 seeing his first action of the year he had a tough bracket and put up a fight and was able to score some points but was unable to pull out the wins.

Coach Rice said it the best and it's so true, "We have always had talent, just were low on numbers. This year not only do we have the numbers, but we have the talented numbers! The guys work hard every day; we will take care of business!"

At the Bigfoot invite knowing that we have young wrestlers stepping on the mat for the very first time everyone wrestled strong. With Caleb Beaser and Brennan Brewster placing 1st! Paul Keintz and Vinny Machado 2nd! Braxton Salzman 3rd! Tom Kuffner 4th! Coach Bauling and Coach Brown both gave praise to the guys on how hard they worked; a lot to build off of.

Also a shout out to our managers Dynally Mould and Elle McMahon in their first action of the year doing their part to pull off team win for the Vikings!!

Very proud of the wrestlers and managers, coaches and our parents!

"TCB" Taking Care of Business!!

We will be heading to Marquette this Saturday

Week 2 (December 8—14)

The remainder of the month with no dual meets and just two more weekend tournaments, we know that we have to change things up to help the guys stay focused. So, with regular practices Monday thru Wednesday, we were able to try something new for our program with having Ms. Rachel Miller come in and lead us in Yoga. Because the guys have been getting tight and sore with the weight lifting and cardio workouts Ms. Miller had all of us (yes the coaches did it too) doing core and balance exercises. It was great to have her come up and help our family and the guys loved it and are ready to do it again. Thank you Ms. Miller we will be ready for round two this Thursday.

With the first of the state rankings being posted this week we have two guys on that list At 152, Korben Brown is sitting 3rd and Luke Schwen-

gels, at 182, earned Honorable Mention. The hard work does pay off and I know these two will continue to climb the rankings but also there will be more teammates joining them!

After a great practice Friday we had to get up early to head over to Marquette University High school for the annual "Tom Burns Invite". As a team, we finished in 6th place last year. Knowing we could improve on that, we were going after the 1st place trophy. Having led the 14 team tournament which was mainly division 1 and 2 schools most of the day we ended in 2nd place. This was an awesome job by all the guys for them to keep battling in each match. We were able to have everyone on the team place!

Coming home with the championship was Korben Brown at 152 and Luke Schwengels at 182 who both pinned their way through the day. Korben was able to tie this year's quickest pin time at: 08.

Evan Suer, at 106, worked hard all day, stayed aggressive, and dominated on his feet. He was able to place 2nd in the 5 man round robin. Caleb Beaser, seeing his first action on varsity and this being his first year on the mat, had some good matches and placed 4th at 106.

At 113, we had Camron Duncan and Ian Suer. With 6 man round robin we knew they would have to wrestle each other and with a high scoring match Camron was able to win. Camron finished in 3rd place. Ian was able to wrestle at his true weight and it was awesome to see. He had great matches and ground out some good wins and finished in 4th place.

Paul Keintz dropped down to 120 and saw his first varsity action of the year. He started off with a couple tough matches but never stopped all day and was able to pull off some impressive pins and came home in 4th place.

At 126, Matthew Mendez was focused on improving from last week and making it back on the podium which he did with a 3rd place finish.

Lucas Vonderhaar is wrestling up to 132, giving up a few pounds, but didn't let that discourage him. He had some good match ups throughout the day and was able to finish in 7th.

At 138, Vinny Machado the (Brazilian wing king) knew it was going to be tough with this being his first action at the varsity level and being his first year on the mat. He worked hard and was able to place 8th.

Also seeing his first varsity tournament action at 145 was Tom Kuffner. Again, knowing it was not going to be easy, he never backed down and had some good matches throughout the day. He was able to finish 11th.

Jameson Terry at 160 came into the day knowing he could medal. With an early round loss, he was able to refocus and work his way back into a medal position which he did with a 3rd place finish.

At 170, Wyatt Egan, again knowing it wasn't going to be easy being a freshman and going off of last year's records he would draw a top seeded wrestler early. He wasn't fazed and

stayed aggressive and got some good wins. He finished the day in 5th place.

Week 3 (December 15—21)

The team was a little shorthanded this week due to some injuries from the Marquette Invite. We were looking for ways to keep the guys focused and ready for the Waterloo Invite on Saturday the 21st. With the school scheduled picture day on Wednesday, we had the lower gym set up to do some bowling. The coaches matched high school wrestlers up with the youth and had some great bonding time with the wrestlers and coaches. Our team had the annual tug of war between the two and again the youth prevailed. We also had Ms. Miller back up to work more yoga. The guys loved it and were hoping to do more of it throughout the remainder of the year. Thank you so much Ms. Miller for helping our family get better. With the guys pushing it hard we had a short practice Friday to keep everyone healthy and ready for the team dual meet.

Heading into Waterloo knowing that we had a great shot at winning this as a team, the guys were well rested and ready to go. With two teams dropping out we were left with a 4 team round robin. Our first dual was against Sun Prairie. We started the day at 220 so going into the dual we were down 12-0. We then evened the score with two forfeits from them with Evan Suer, at #106, and Camron Duncan at #113. The first mat action was from Ian Suer at #120 made short work of the match with a 38 second pin. Lucas Vonderhaar stepped in at #126 this weekend. He was aggressive and scored a tech fall without giving up a point 16-0. Matthew Mendez moving up to #132 was awake and ready for his first match. He recorded a first period pin. Vinny Machado at #138 and Tom Kuffner at #145 both received a forfeit. Korben Brown at #152 was battling through sickness from earlier in the week and had his toughest match so far this year. He pushed and stayed aggressive. He did not give up fighting off his back at one point and was able to pull off a 12-8 decision. Jameson Terry was ready at #160 and made short work of his opponent with a first period pin. At #170, Wyatt Egan kept the winning going working hard all three periods, and like Korben, was probably his hardest match this year. He won the battle with his aggressive attacking and was able to get the decision 11-9. Luke Schwengels would be the last match for us at #182. He was looking to keep improving off of last week's success and he did with the quick pin of this dual in 24 seconds. We won 59-18! Great team win and the 18 points were forfeits we gave them at 195, 220 and 285.

The second round we were matched up with the host team Waterloo. For us we knew this was going to be a close match and we needed everyone to dig in and be ready. Again, going in the dual, we were going to give them #138, #195, #220, and #285 and we were going to get forfeits at #113 Camron, #120 Ian Suer and #152 Korben. Do the math and we were down by six. The way the guys have been working this year, we knew we could make that up. With Evan at #106 setting the pace he had a first period pin and the quickest of

the day at 13 seconds. The next three weights, Lucas at #126, Matthew #132, and Tom at #145, came out and pushed it hard but fought and wrestled well but were unable to win. With Korben's forfeit and only three remaining matches to wrestle, we needed pins from them to get the tie. Jameson at #160 did not hesitate and he got the job done with a first period pin. Next up, the mighty Wyatt at #170, was not going to be out done. He was able to hit the cow catcher and get the second pin we needed in the first period also. That left a lot of weight on the shoulders of Luke. He was not going to let anyone down and made short work of his match. He got the third pin in the first period in 22 seconds. Well, that left us tied at 42 each. We went through this last year and lost on the pin criteria. This year, that rule changed. With everything being equal down to the I (which is the first points scored in each individual matches). We held that tie breaker and were awarded 1 team point winning the dual 43-42.

So, heading into the final round against Lakeside Lutheran, the guys knew we just had to "TCB" taking care of business, and they did. Going into this dual we were up 12. We gave them #138 and #220 and we got #113 Camron, #160 Jameson, #170 Wyatt and #182 Luke. We had double forfeits at #195 and #285. Evan at #106, Ian #120, Lucas #126, and Matthew at #132 all started out strong with each all recording falls in the first period. Tom, at #145, went out very aggressive and tried a head throw for the first time and almost had it but kept fighting. He was not able to win. Korben was ready at #152, to keep his winning record intact and again stayed aggressive. He was able to get the first period pin. We won 54-18 and were 3-0 as a team.

We were able to get a couple JV matches in at the end of the day with Caleb Beaser at #106. He wrestled the Waterloo kid and looked good. He got a first period pin. Braxton Salzman, at #120, was able to wrestle a Lakeside Lutheran kid and like everyone else he was aggressive. He stayed on the offensive and was able to get a first period pin. The only wrestler we weren't able to get a match for was Paul Keintz. He has been working hard and I'm looking forward to him getting back out on the mat.

This tournament win was a real family effort everyone had a part in it. The long hard practices (which I actually like LOL) do pay off and when we come together no one will stop us. Thank you to the parents and fans that showed up to cheer them on. And to the managers, Dynally Mould and Elle McMahan, your work to keep us in line is awesome. Also a big thank you to the coaches Josh, John and Byron as your dedication to this program is a pure blessing.

We will be off for a couple weeks. Our next action will be on January 7th, home dual vs Johnson Creek and Palmyra-Eagle. Hope to see you there!

14. BUSINESS MANAGER’S REPORT: Tracy Case provided a written report, and highlighted that she met with Steve Kopecky from the Baird Investment Firm on 10/26/2019 to review the Baird Budget Model for Parkview. The Finance Committee met on 11/12/2019 to discuss budget projections and the District’s goal to keep the tax levy balanced, and fund balance stable. See her report.

14.1 Discuss Referendum Scenarios: Tracy led a discussion regarding three different spring 2020 referendum scenarios which included a possible 3 year or 5 year proposal. She reminded the Board that student enrollment/membership drives the amount of State aid we receive, and that this amount drives the planning for the annual budget and the need for a referendum (or not).

14.2 Discuss/Action on October 2019 Financial Statement: Tracy presented the Monthly Financial Statement for the period ending October 31, 2019. Following a brief review, **Motion** by Chuck Haggmann, 2nd by Tina Suiter-Meyers to: Approve the October 2019 Financial Statement. All in favor voted “Aye”, none opposed, **Motion Carried 6-0.**

15. DISTRICT ADMINISTRATOR’S REPORT: Dr. Lutzke provided a written report, and highlighted the following items:

1). Tech-Ed. Teachers Mr. Sattler and Mr. Luety are looking for approval to pursue writing a Grant Request for matching funds for a \$27,000.00 CAD/CAM laser cutting table to be used at Parkview H.S.. The request must be made by 12/12/2019, and results will be announced around late March or early April of 2020. The purpose of the cutting table would be to train students to operate equipment like this as future employees at local manufacturing businesses. They are told that no other high school in our area has a unit of this caliber, and it would be highly beneficial to our students. Discussion followed regarding business sponsorship, local business fund matching options, and operational support for a unit like this. Mr. Sattler answered any questions, and the Board authorized them to proceed with the Grant request.

2). News Articles - Parkview in the Beloit Daily News - ‘District Exceeds Expectations’ article, Janesville Gazette - ‘State Report Card’ article, Beloit parent on Facebook - posting about how positive and progressive Parkview District is.

3). #SocialSchool4EDU Facebook account shows Parkview ranked #17 out of 49 districts they cover. They track the number of Facebook, Instagram and Twitter posts/followers their clients have, and Parkview’s web page is getting good feedback. See his report.

15.1 Discuss/Action Regarding Employee Interviews: Dr. Lutzke led a discussion over the recent Employee interviews conducted by Mr. Steve Zach. The results were quite positive. The Board needs to decide how to prioritize the information we received, and where and how to implement changes. ‘Chain of Command’ changes are already being implemented. Non-Action Item.

16. CLOSED SESSION:

The Board will convene into closed session under Wisconsin State Statute 19.85(1)(c) for the purpose of considering employment, promotion, compensation or performance evaluation data of any public employee over which the governmental body has jurisdiction (administrator, classified or certified employee), 19.85(1)(f) for the purpose of approving previous closed session minutes.

Motion by Chuck Haggmann, 2nd by Tina Suiter-Meyers to: Move into Closed Session. A Roll Call vote was called by the Clerk. Zach - Yes, Tina - Yes, Dianne - Yup, Don - Yes, Jennie - Yes, Chuck - Yes. **Motion Carried 6-0.** Meeting Moved into Closed Session at 8:25 P.M. A short recess was called to clear the room. Meeting resumed in Closed Session at 8:26 P.M. Board members reviewed the Closed Session Meeting Minutes for the 10-21-2019 Meeting. **Motion** by Don Bomkamp, 2nd by Jennie Krajeck to: Approve the 10-21-2019 Closed Session Meeting Minutes. All in favor voted “Aye”, none opposed, **Motion Carried 6-0.** Meeting continued for the purpose of discussing a retirement benefit adjustment request by a certified staff member.

17. THE BOARD WILL RECONVENE INTO OPEN SESSION AND VOTE, IF NECESSARY, ON ANY ITEMS DISCUSSED IN CLOSED SESSION: - Not Required.

18. ADJOURNMENT: From Closed Session. Motion by Chuck Haggmann, 2nd by Tina Suiter-Meyers to: Adjourn the Meeting. All in favor voted “Aye”, none opposed, **Motion Carried 6-0. Meeting Adjourned at 9:00 P.M.**

Respectfully submitted by,

Charles Haggmann, Board of Education Clerk

The 3rd Annual School Breakfast Video Contest is officially open! Brought to you by Hunger Task Force and DPI School Nutrition Team, teams of students are invited to submit an original video telling us why they love their school breakfast. Please share the info below with the relevant staff at your school or district.

The goal of the contest is to spread awareness about the importance of school breakfast, and the innovative work that schools across the state are doing to make sure their students get the best morning nutrition possible.

Who: Wisconsin K-12 students attending schools that participate in the USDA School Break-fast Program

What: Create an original video (two minutes or less) telling us why your school breakfast rocks!

Win: Grand Prize \$1,000

2nd Place: \$500

3rd Place: \$250

(Prize monies to be split among team members) Video finalists will be featured on the Wisconsin DPI and Hunger Task Force websites.

When: Contest starts on Monday, December 16, 2019

Deadline for submitting videos is Friday February 14, 2020
