Holiday Assistance Program

For the past several years, the Parkview School District has collaborated with other community resources to help assist families who are struggling financially during the holiday season. We have been able to supply our Parkview families with food, toiletries, clothing, and toys for their children. We are working together again this year, to offer this program. We will be sending a note home with each student that informs families that this program is being offered to those who are in need of financial support during this holiday season. Families will need to fill out the questionnaire detailing their children's needs and send the note back to school with Mrs. Babcock's name on the envelope. The sheet also explains how families can help other families in the district if they so choose. There are different ways people can help support this program and other families in the district.
