Notes From February Meeting

Meeting time: 5:45 p.m.

1. Approve Minutes (Notes)
2. Treasures report
3. Concession report
 - a. Youth Wrestling Tournament: **Discussed what would work for the wrestling group. Initially, it was agreed the stand would be used but after discussion among wrestling group it was felt a meeting was needed to exchange concerns. Meeting result: Wrestlers will not use the PABC stand due to the size of their event and timing for serving lunch. It was felt we needed to amend our policy and submit it to the school board for approval. A meeting with the various groups impacted by the policy should be scheduled.**
 - b. In other concession related items:
 - **In the stand we could use some hooks for workers coats. We may also want to put up a narrow shelf to display the beverages that the stand offers.**
