

Parkview Golf Boosters Club Meeting

October 2, 2017

5:00 PM in LMC at PHS

Meeting was called to order at 5:27 PM. Present: Coach Bob Alexander, Jeff & Deb Vine, Ruth Mohr and Sue Burtness.

Old Business:

Report on Golf Outing held on August 19 at Bass Creek Golf Course

- Treasurer's Report was distributed.
- Overall profitable fundraiser. Better participation from team members and their families.
- Suggestion for a game that shows off the players talents. Participants pay at a hole to have a golf team member drive, putt etc... (i.e. Madi Vine demonstrating her putting skills at her favorite hole) for the participant.

New Business:

- The Booster Club finances were reviewed. There is a significant amount in the account.
- Decision to create a budget for 2017-18. Deb Vine will type up a budget to approve at the next meeting. It will include golf balls, replacing bags that are wore out and shirts for the team members.
- Discussion on Indoor Training Equipment.
 - Waiting for matching gift checks from Grainger to determine how much we can do. Concern was voiced that the indoor training equipment was approved by the school board six months ago, it should be done soon.
- Discussion on a roll-out event to demonstrate the equipment uses, etc.
- Discussion on a possible golf trip during Spring Break 2018 (March 26-30, 2018) Golf Practice can begin on Tues, March 27. Decision was tabled to the next meeting.
- Need to recruit more players and parents to get involved. Number of dedicated players is down.

Election of Officers: Officers were nominated and elected:

- President: Jeff Vine
- Vice President: Sue Burtness
- Treasurer: Deb Vine
- Secretary: Ruth Mohr

Next Meeting: January or February 2018 Invite families interested in the golf program at Parkview.

Respectfully Submitted by Ruth Mohr, Secretary
